

FOR OFFICIAL USE ONLY

1 NOV 1968

ARCL-F

SUBJECT: Haines-Fairbanks POL Pipeline Brush Control, Pipeline Milepost 42.5 through 337.5, Project 20-69

Commanding General
United States Army, Alaska
ATTN: ARAEN-I
APO 98749

1. Transmitted for review and approval are DD Form 1391 (Real Property Facilities Project); USARL Form 5-2 (Itemized Cost Estimate); Technical Specifications; Haines-Fairbanks Pipeline Site Plan, Drawing No. 000-000-169 and Pipeline Strip Maps for the serial spraying of 274 miles of the Haines-Fairbanks POL Pipeline right-of-way.

2. It is requested that your Office obtain approval from the Federal Committee on Pest Control for the application of picloram (Tordon 101) to control brush along the Haines-Fairbanks Pipeline right-of-way from pipeline milepost 42.5 through 337.5.

3. The spraying of herbicides along the POL right-of-way is recommended by Mr. C. Wallace Miller, Chief, Land Management Section and Agronomist, OCE, R & U Division, Building and Grounds Branch for control of brush on the Haines-Fairbanks POL Pipeline to facilitate inspection, maintenance and safety.

FOR THE COMMANDER:

ALAN L BERGMAN
2LT, OMC
Asst Adjutant

5 Incl
as (dupe)
