HEADQUARTERS, UNITED STATES ARMY, ALASKA

APO 949, SEATTLE, WASHINGTON

ARAG: 163.7

SUBJECT: Disposal of Fuel During De-Icing Operations of the Haines-Fairbanks Pipeline

TO: Resident Engineer  
c/o District Engineer  
Corps of Engineers  
Anchorage, Alaska

1. It has come to the attention of this Headquarters that fuel removed from the Haines-Fairbanks pipeline during contractor de-icing operations has been deposited on the ground with no indication of further disposal action.

2. Confirming telephone conversation this date between Mr. England, your office and Colonel Weisemann, Quartermaster Section, this Headquarters, it is requested that the contractor be required to dispose of fuel wasted during cutting and purging of the pipeline by burning in pits provided by him for that purpose.
