R. J. Meek, Esq.,
Superintendent, Indian Agency,
Whitehorse, Y.T.

I have for acknowledgment your letter of September 27th, your file 166/30-5, concerning the proposed new Reserve at Klukshu fishing station.

In view of the information therein, we have advised the Department of Resources and Development that the Reserve as originally proposed excluding the mission site, is satisfactory for our purposes, and they have replied that a survey of the Reserve will be included in their field work for next year; and when the survey is completed, the property will be transferred to this Department.
