Dear Mr. Fry,

Thank you for your letter of March 10 concerning the Haines Fairbanks Pipeline. Unfortunately, despite several reminders, we have as yet received no formal reply to our request to the U.S. State Department for some indication of their plans for the pipeline. Accordingly, we will shortly begin consultation with other interested federal government departments on our course of action. I therefore expect to be in contact with you again on this matter in the near future.

Yours sincerely,

J. R. Sharpe
