SUBJECT

PIPE-LINE  
NORTHWESTERN  
BRITISH COLUMBIA

This will confirm that Mr. Lindebach and Mr. Raines will be in Victoria on Friday, March 26 at 2.00 p.m. at the office of the Associate Deputy Minister, Department of Transport and Communications, 2631 Douglas Street, to brief us on the present situation with respect to the 8-inch product pipeline owned by the U.S. Army running between Haines and Fairbanks, and which crosses 45 miles of the extreme northwest corner of British Columbia.

Mr. Axford from the Office of Inter-Governmental Affairs will also attend.

Mr. Lindebach and Mr. Baines will be accompanied by Mr. John Barcas of the U. S. Embassy in Vancouver.

Re: Pipe-Line - Northwestern B. C.

On March 22, 1976, I received a telephone call at this afternoon, I have received advice from Mr. Lindebach's office to the effect that the pipeline has been notified by the United States Government that there is no objection to the pipeline being sold, but they will not participate in the sale.
