Informed contractor via his
secretary that I plan on being
at Hards Junction 20 June.
Still sound like the contractor
will not start spray before 23 June
67.

Mr. Hubbard spray contractor
Has TORDON 101 being delivered
starting 12 June.

I gave permission to store
material at. Beaver creek creek
Donjok. Jack
Hutchinson and by
Blanchard. Duke.

Contractor fully responsible for all
herbicide stored at site above
Freight lines will make material
drops at above station - 30 gal drums.

spray date set for approx 23 June.
most likely 1 chopper -

Myok's Tr
11 June 69.

will calibrate at Hemis junction
