MEMORANDUM FOR RECORD

SUBJECT: Pipeline Spraying, Haines-Fairbanks Pipeline, PR 20-69

1. Mr. Carl L. Stevenson, Pesticide Unit, Plant Production Division, Department of Agriculture, Ottawa, Canada was contacted by telephone 15 January 1969 at 1000 hours in regards to application of Tordon 101 Herbicide Brush Killer. Mr. Stevenson is our contact for the above application of Tordon 101 through the Canadian Department of Agriculture.
2. Mr. Stevenson gave verbal approval of our spraying program within Canada and agreed with the letter received from the Department of Fisheries, Vancouver, B. C.
3. I asked Mr. Stevenson if he felt we could expedite our spray Contract and Mr. Stevenson said to do so by all means as it was a very good contract.
4. Mr. Stevenson stated the formal approval is forthcoming soon.
