

MEMORANDUM TO: A 2

DATE: 30, April, 1968.

FROM: Director of Game

SUBJECT: Haines-Fairbanks Pipelines

The Canadian Wildlife Service and Fisheries are checking on the new type of Herbicide substitute - Femuron weed and Brush Killer - as to its effect on fish and wildlife generally, and when this information is available the appropriate letter will be drawn up.

J. B. Fitzgerald,
Director of Game.
