NORTHERN ADMINISTRATION  
AND LANDS BRANCH

DEPARTMENT  
OF  
NORTHERN AFFAIRS AND NATIONAL RESOURCES

OFFICE OF THE DIRECTOR

The original of this Document has been  
approved for retention in the records of  
Indian Land Registry.

Ottawa, 10 February, 1955.  
Colonel H.M. Jones,  
Director Indian Affairs Branch,  
Department of Citizenship & Immigration,  
Ottawa, Ontario.

Dear Colonel Jones:

Proposed Reservation for  
Champagne Indians on the  
Klukshu River, Y.T.  
Your file: 166/30-5-0.

I have received your letter of the  
2nd February 1955, which refers to the access road sur-  
veyed in connection with the one-acre Mission parcel situa-  
ted within the above reserved area.

The only land which will be sold to  
the church authorities is the one-acre site upon which  
their Mission is actually erected.

Our purpose in excepting the access  
road from the land reserved for your Branch is to make  
sure that it is available to the Indians, the Church  
authorities and any of the general public who find occa-  
sion to use it.

This information will, I trust,  
clear up any uncertainty regarding the status of the road.

Yours very truly,

*F. Fraser*  
F. Fraser,  
Acting Director.
