Ottawa, 21 April, 1954.

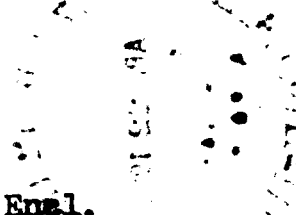

Surveyor General,  
Dept. Mines & Technical Surveys,  
Labelle Building,  
Ottawa, Ont.

Area at Klukshu, Y.T., to be surveyed  
for Indian Affairs Branch.  
Your files: 17314, 17347 and 63088

The suggestion contained in your letter of the 22nd of March, 1954, was referred to the Indian Affairs Branch of the Department of Citizenship and Immigration.

I attach a copy of the reply which requests that Superintendent R.J. Meek at Whitehorse be consulted by the Surveyor before the location of the access road is actually decided.

This request appears to be reasonable and I would be obliged if the necessary arrangements can be made for the matter to be discussed with Mr. Meek before any definite decision is reached.
