Relocation of Portion of Haines Cutoff Road

1. Review is requested of plans for subject construction prepared by the Alaska Road Commission inclosed with attached correspondence.
2. Special attention is invited to inclosure No. 7 wherein the Commissioner of Roads for Alaska replies to criticism of the plans by the Bureau of Public Roads. In view of the question raised therein as to criteria to be followed, comment is requested as to the adequacy of the proposed road for military requirements.
3. The plans and estimate for the road will be transmitted to the Office of the Chief of Transportation together with comments of your office.
