

ENGINEER

SUBJECT: Haines-Fairbanks Pipeline

Mr. [Signature] / 74529/gt
17 October 1952

678 (Marked)

6. A further request of G-4 that the Corps of Engineers place immediate purchase orders for pipe materials has been subsequently withdrawn, considering the unsettled status of international negotiations pertaining to this project and the lack of facilities for handling and storing materials which might be shipped prior to the award of a construction contract.

7. Your office will be immediately advised on receipt of clearance which will permit establishing a firm construction schedule and initiation of construction.
