This topographic map depicts the Tatlain Lake region in the Yukon Territory, Canada. The map is characterized by a grid of latitude and longitude coordinates, with latitude ranging from 62°30' N to 62°45' N and longitude from 135°00' W to 135°30' W. The map shows contour lines indicating elevation, with major peaks reaching over 3600 meters. Tatlain Lake is a prominent feature on the left side of the map. Other notable features include Tatlain Creek, Mica Creek, and Needle Rock. The map also shows various smaller lakes and creeks, as well as a network of roads and trails. The map is oriented with North at the top.
