

NATIONAL ROUND TABLE ON THE ENVIRONMENT AND THE ECONOMY
TABLE RONDE NATIONALE SUR L'ENVIRONNEMENT ET L'ÉCONOMIE

NRTEE Official Reports Copyright and Reproduction Notice

All **NRTEE Official Reports** (“Works”), provided on this USB memory key and identified in the **NRTEE Official Reports List** folder, contain their individual copyright and reproduction notice. The notice in each of these Works is replaced and superseded by the following copyright and reproduction notice, effective February 22, 2013:

© This Work is protected by copyright and made available for personal or public non-commercial use and may be reproduced, in part or in whole, and by any means, and may be further distributed for non-commercial use, without charge or further permission. All users are required to indicate that the reproduction, whether in part or in whole, is a copy of a Work of the National Round Table on the Environment and the Economy (NRTEE). Reproduction, in whole or in part, of this Work for the purpose of commercial redistribution is strictly prohibited. Furthermore, no right to modify or alter in any manner the Work is hereby granted.

Consultant Reports Copyright and Reproduction Notice

All **Consultant Reports** (“Works”), provided on this USB memory key and identified in the **Consultant Reports List** folder, were prepared for, or commissioned by, the National Round Table on the Environment and the Economy (“NRTEE”) in support of its research efforts, and may or may not reflect the views of the NRTEE. Such Works may not contain a copyright notice as they were not intended for public release when they were so prepared or commissioned. In the absence of a copyright notice, and where a copyright notice may in fact appear, the following notice shall be read together with the Work and, where applicable, replace and supersede any existing copyright notice, effective February 22, 2013:

© This Work is protected by copyright and made available for personal or public non-commercial use and may be reproduced, in part or in whole, and by any means, and may be further distributed for non-commercial use, without charge or further permission. All users are required to indicate that the reproduction, in part or in whole, is a copy of a Work of the National Round Table on the Environment and the Economy (NRTEE). Reproduction, in whole or in part, of this Work for the purpose of commercial redistribution is strictly prohibited. Furthermore, no right to modify or alter in any manner the Work is hereby granted.

Organization Of World Heritage Cities	10

NAME OF ORGANIZATION:	ASIA PACIFIC CITIES FORUM
TYPE OF ORGANIZATION:	American non-governmental organization
LOCATIONS:	Redmond, Washington
CONTACT ADDRESS:	2203, 246th Place NE Redmond, Washington 98053
COMMUNICATING:	Dr. Akhtar Badshah Tel: (425) 898-9739 Fax: (425) 898-9649 Email: abadshah@msn.org Internet website: www.apcf.org
MAIN FIELD OF EXPERTISE:	Creates a space where Asia and the Pacific region's leaders and decision-makers from business, government, civil society, academe, and media interact to share ideas, learn from each other and gain support from their Forum colleagues to accelerate the development of sustainable cities and communities in the Asia-Pacific region.
CURRENT CITIES:	ACTIVITIES:
Potential cities include Cebu City, Philippines, Singapore, Bangkok, Allahabad or Canberra.	Plan and organize an annual regional interchange on well-defined themes bringing together leaders from government, corporate, community organizations, academia and media. Some of the suggested themes include: Urban Environment, Transportation, Housing, Urban Management, Municipal Finance, and Conservation and Cultural Heritage.
Possibly Cebu City, Philippines or Allahabad, India	Hold city-level consultations in two to three cities over cities in the region. The selection of these cities will be determined on: the recommendation of the Core Advisory Group; cities where there is already some international development agency involvement, i.e., USAID, Asian Development Bank or the Urban Management Programme; and the specific interest and support within these cities.
	Train "Catalysts for Action" in partnership with international and regional institutions to effectively use new urban decision-making approaches, and to form multi-stakeholder partners.
CURRENT PARTNERSHIPS:	APCF collaborates with the World Business Forum for Habitat II, the Prince of Wales Business Leaders Forum, CITYNET, Global Urban Research Initiative (GURI), Urban Management Program for Asia and Pacific, Asia-Pacific 2000, International Union of Local Authorities, International Council for Local Environmental Initiatives and other institutions in the region.
COMMENTS:	In 1998, APCF launched a monograph on "Business Partnership for Sustainable Cities and Communities" in partnership with CityNet.

NAME OF ORGANIZATION:	INTERNATIONAL CENTRE FOR THE PREVENTION OF CRIME (ICPC)
TYPE OF ORGANIZATION:	International non-governmental organization
LOCATIONS:	Montreal
CONTACT ADDRESS:	507, Place d'armes, 21st Floor Montreal, Quebec H2B 2W8
COMMUNICATING:	Irvin Waller Director General Tel: (514) 288 - 6731 Fax: (514) 288 - 8763 Email: cipc@web.net Internet website: www.crime-prevention.intl.org
MAIN FIELDS OF EXPERTISE:	Identify, compile and diffuse information on successful crime prevention - particularly city wide strategies concerned with youth and families at risk. Other basic human needs; human rights, democracy and good governance; and integration of women in development.
CURRENT CITIES:	ACTIVITIES:
Americas: Rio de Janeiro, Brazil; Cordoba, Argentina	Latin American Forum for Urban Safety program: Technical assistance to network of major cities in Latin America for crime prevention.
Africa: Johannesburg, South Africa; Dar-es-salaam, Tanzania; Ougadougou, Burkina Faso; Dakar, Senegal; Abidjan, Ivory Coast	African Forum for Urban Safety program: Technical assistance; community wide strategies to reduce delinquency and violent crime by diagnosing the causes and mobilizing the agencies and community services.
CURRENT PARTNERSHIPS:	Local Partners: central, sub-national and local governments; community groups (women, youth, vulnerable and disadvantaged groups); non-governmental organizations; and private sector. Canadian and International Partners: Foreign Affairs, Justice, FCM, Dutch Foreign Ministry, German GTZ, French Cooperation, UN Office in Vienna, UNCHS. Board composition: Associations of Cities, Crime Prevention Agencies, B.C. Coalition for Safer Communities, Crime Organizations, UNAFRI, UNICRI.
COMMENTS:	ICPC's approach is to collaborate with urban entities to develop public safety diagnoses and community wide crime and prevention strategies, (mobilizing housing, social services, police, justice, health, women's groups, youth).

NAME OF ORGANIZATION:	INTERNATIONAL COUNCIL FOR LOCAL ENVIRONMENTAL INITIATIVES
TYPE OF ORGANIZATION:	International organization
LOCATIONS:	Toronto, Freiburg, Tokyo, Harare, Berkley, and Santiago
CONTACT ADDRESS:	ICLEI World Secretariat City Hall, East Tower, 8th Floor 100 Queen Street West Toronto, Ontario M5H 2N2
COMMUNICATING:	Michael Manolson Asst. Secretary General Tel: (416) 392-1462 Fax: (416) 392-1478 Email: 75361.3043@compuserve.com Internet website: www.iclei.org
MAIN FIELD OF EXPERTISE:	An international environmental agency for local governments. Serves as a network for information exchange, training, and publishes manuals, research and other materials. Organizes workshops, conferences and recognizes best practices in the area of local environmental management.
CURRENT CITIES:	ACTIVITIES:
	Ontario Municipal Energy Improvement Facility.
	Cities for Climate Protection (CCP) campaign is an international effort to improve air quality including: Sustainable Transportation Program; Green Buildings Program; and Green Fleets Program.
City of Las Condes, the City of La Florida, the City of La Pinta, and Santiago, Chile	The "Sustainable Santiago" project seeks to secure a healthy urban environment for the residents of Metropolitan Santiago by introduction of Canadian technologies and know-how in a series of planning workshops and study visits. Includes: Natural Gas Conversion Project; Municipal Environmental Evaluation Process; Sustainable Design for a Civic Center; Efficient Use of Water and Adoption of Ecological Practices in Public Housing Neighbourhoods.
64 countries	The Local Agenda 21 Initiative which is putting into place measures for urban sustainability. ICLEI works with municipalities to test planning and implement specific pilot projects.
CURRENT PARTNERSHIPS:	Sustainable Santiago partnerships include the Municipality of Santiago, the Corporation for the Development of Santiago. Funded by CIDA's Southern Cone Technology Transfer Fund. Businesses, governments, and non-governmental organizations world wide.
COMMENTS:	Established in 1990 through a partnership of the United Nations Environment Programme, the International Union of Local Authorities, and the Center for Innovative Diplomacy.

NAME OF ORGANIZATION:	INTERNATIONAL NETWORK ON WATER, ENVIRONMENT AND HEALTH, UNITED NATIONS UNIVERSITY, MCMASTER UNIVERSITY
TYPE OF ORGANIZATION:	International organization
LOCATIONS:	Hamilton
CONTACT ADDRESS:	John Hodgins Engineering Building 1280 Main Street West Hamilton, Ontario L8S 4K1
COMMUNICATING:	Dr. Ralph Daley Director Tel: (905) 525-9140, ext. 24517 Fax: (905) 529-4261 Email: contact@inweh.unu.edu Internet website: www.unu.edu/unuinweh/
MAIN FIELD OF EXPERTISE:	Focus is on the interconnectedness between water, environment and health with a particular emphasis on the needs and concerns of the developing regions of the world. Programme themes include aquatic ecosystem protection and management, water and wastewater treatment and remediation, environmental assessment, ecotoxicology, and water-related human health impacts.
CURRENT CITIES:	ACTIVITIES:
Chihuahua and Ciudad Juarez, Mexico	Potential project on water quality and quantity, bio-solids management, groundwater remediation
Katah, Middle East, Burkino Faso	Potential projects on water quality and quantity
CURRENT PARTNERSHIPS:	International network, involving academic, industrial, governmental, and other non-governmental partners.
COMMENTS:	Located at McMaster University, with supporting facilities at the Canada Centre for Inland Waters. Government of Canada and the International Development Research Centre provided core funding and in-kind services. Projects are currently in the advanced planning stages.

NAME OF ORGANIZATION:	INTERNATIONAL SECRETARIAT FOR WATER / LE SECRÉTARIAT INTERNATIONAL DE L'EAU
TYPE OF ORGANIZATION:	International non-governmental organization
LOCATIONS:	Montreal
CONTACT ADDRESS:	106-157 St. Paul Street West Montreal, Quebec H2Y 1Z5
COMMUNICATING:	Raymond Jost Secretary General Tel: (514) 849-4262 Fax: (514) 849-2822 Email: isw@infobahnos.com Internet website: www.energ.polimi.it/development/ORG/di194.htm
MAIN FIELD OF EXPERTISE:	Promoting interaction between civil society and governments on the local, regional, national and international levels. The goal is to initiate and facilitate cooperation, exchanges and the creation of partnerships for community-based water management.
CURRENT CITIES:	ACTIVITIES:
	Provides support and counselling to mobilize local communities involved in fresh water management on the sustainable development of water in cities.
CURRENT PARTNERSHIPS:	Approximately 80 non-governmental organizations and research institutes world wide.
COMMENTS:	Originated during a 1989 meeting of the "Water Supply and Sanitation Collaborative Council".

NAME OF ORGANIZATION:	INTERNATIONAL SMART CITIES INSTITUTE
TYPE OF ORGANIZATION:	International non-governmental organization
LOCATIONS:	Toronto
CONTACT ADDRESS:	10 Bay Street, Suite 300 Toronto, Ontario M5J 2R8
COMMUNICATING:	Iize Andzans Executive Director Tel: (416) 396-4305 Fax: (416) 396-5681 Email: bs993@freenet.toronto.on.ca Internet website: www.inforamp.net/~jjung/smart
MAIN FIELD OF EXPERTISE:	Facilitates international cooperation among cities through information sharing and collaboration among its members, especially concerning the use and application of information and telecommunications technologies for the purpose of developing or enhancing their community's social, cultural and economic position.
CURRENT CITIES:	ACTIVITIES:
	Programs include conferences, the March '96 Forum and the International Forum 97.
	Member services include a member survey on telecommunications needs, a membership directory on-line, and establishing partnerships with the World Teleport Association (WTA).
CURRENT PARTNERSHIPS:	The institute aims to have as many as 500 international members by the end of 1998.
COMMENTS:	ISCI evolved out of Smart '95, the 11th General Assembly of the World Teleport Association (WTA), held in Toronto and now hosted by City of Calgary. Interested in expanding to Eastern Europe.

NAME OF ORGANIZATION:	INTERNATIONAL WINTER CITIES SECRETARIAT
TYPE OF ORGANIZATION:	International non-governmental organization
LOCATIONS:	Edmonton (local committee), others located elsewhere abroad
CONTACT ADDRESS:	2nd Floor, MetroNet Tower 10250 - 101st Street Edmonton, Alberta T5J 3P4
COMMUNICATING:	Debbie Kronewitt-Martin Executive Director Tel: 403- 496-6052 Fax: 403-496-6916
MAIN FIELD OF EXPERTISE:	Information exchange program for municipalities located in cold climate regions.
CURRENT CITIES:	ACTIVITIES:
	Biennial conferences address topics such as garbage collection, water, sewer and related municipal topics. Information source only.
CURRENT PARTNERSHIPS:	Association of municipalities located in cold climate regions including former Soviet republics, and the Peoples Republic of China.
COMMENTS:	

NAME OF ORGANIZATION:	METROPOLIS
TYPE OF ORGANIZATION:	International non-governmental organization
LOCATIONS:	Montreal
CONTACT ADDRESS:	Urban Community of Montreal Montreal, Quebec
COMMUNICATING:	Pierre Bourque Executive Vice President Mr. Amara Ouerghi Tel: (514) 529-8771 Fax: (514) 280-6744 Internet website: www.metropolis.org
MAIN FIELD OF EXPERTISE:	Offers a comprehensive range of services to its members in three main areas: 1. Deliberation and exchange of information within the framework of its four standing committees of urban planning and management of urban development, environment, urban ecology and health, economic development, and social and cultural development; 2. Technical assistance and exchange of experience with the framework of the technical assistance scheme; 3. Training and exchange of knowledge through its Training Institute.
CURRENT CITIES:	ACTIVITIES:
	Organizes congresses on city issues, including one held in Montreal in 1993 entitled, "The citizen and sustainable development".
Cordoba, Argentina, and trainees from cities in all five continents.	Training session on "financial schemes for water cycle-related infrastructure projects".
Barcelona, Spain	Metropolis '99 congress, entitled, "A network of cities for a world of citizens". It will include a number of priority topics and workshops on urban living and management.
CURRENT PARTNERSHIPS:	United Nations agencies, CIDA and other governmental agencies, local governments and nongovernmental organizations.
COMMENTS:	

NAME OF ORGANIZATION:	ORGANIZATION OF WORLD HERITAGE CITIES (OWHC)
TYPE OF ORGANIZATION:	International non-profit, non-governmental organization
CONTACT ADDRESS:	15, rue St-Nicolas Québec (Québec) G1K 1M8
COMMUNICATING:	Denis Ricard Secretary General Tel: (418) 692-0000 Fax: (418) 692-5558 Email: secretariat@ovpm.org
MAIN FIELDS OF EXPERTISE:	Technology and information transfer to assist member cities to adapt and improve their management methods; networking; training; advocacy. Economic development - formal and informal sectors and municipal infrastructures.
CURRENT CITIES:	ACTIVITIES:
Regional conferences and seminars in Budapest (Hungary); Recife (Brazil); Bath (England); Santiago de Compostela (Spain) (World Assembly)	Assist cities to adapt and improve their management in relation to the specific requirements of having a site inscribed on the UNESCO World Heritage list.
CURRENT PARTNERSHIPS:	Local Partners: local governments; Getty Conservation Institute. Canadian and International Partners: Université Laval, UNESCO, Council of Europe, ICCROM, ICOMOS, World Tourism Organization, Inter-American Organization for Higher Education (IOHE).
COMMENTS:	OWHC's approach includes networking and information sharing, training city managers, outlining training programs, lobbying, seeking new partnerships with international organizations and agencies, and communication and diffusion of knowledge.
