

Dear Sir/Madam:

Re: Class 1 Notification C1P00305 Technically Complete

This letter is to inform you that on October 22, 2018 your Class 1 Notification **C1P00305** was determined to be technically complete. It has been assigned a permanent file number, **C1P00305**, which will be used for all future communication.

The notification is now open for comment by potentially affected First Nations and stakeholders. This information will be received and reviewed by November 12, 2018.

Once all comments have been reviewed, we will make one of the following determinations:

- allowed to proceed with standard terms and conditions;
- allowed to proceed with additional terms and conditions;
- refused

Please be advised, information received during the comment period may result in an extension. If an extension is required, we will notify you immediately and adjust the determination date accordingly.
