Test Shafting

GPS coordinates for the 2022 shaft and 3 test pits

2022 shaft: 07 W 0531203, 7106197. Right against the hillside and bench edge.

2022 test pits: The pits are beside the creek on an old section of road.

2022 Pit 1, the most northern pit is at 07 W 0531377, 7106342.

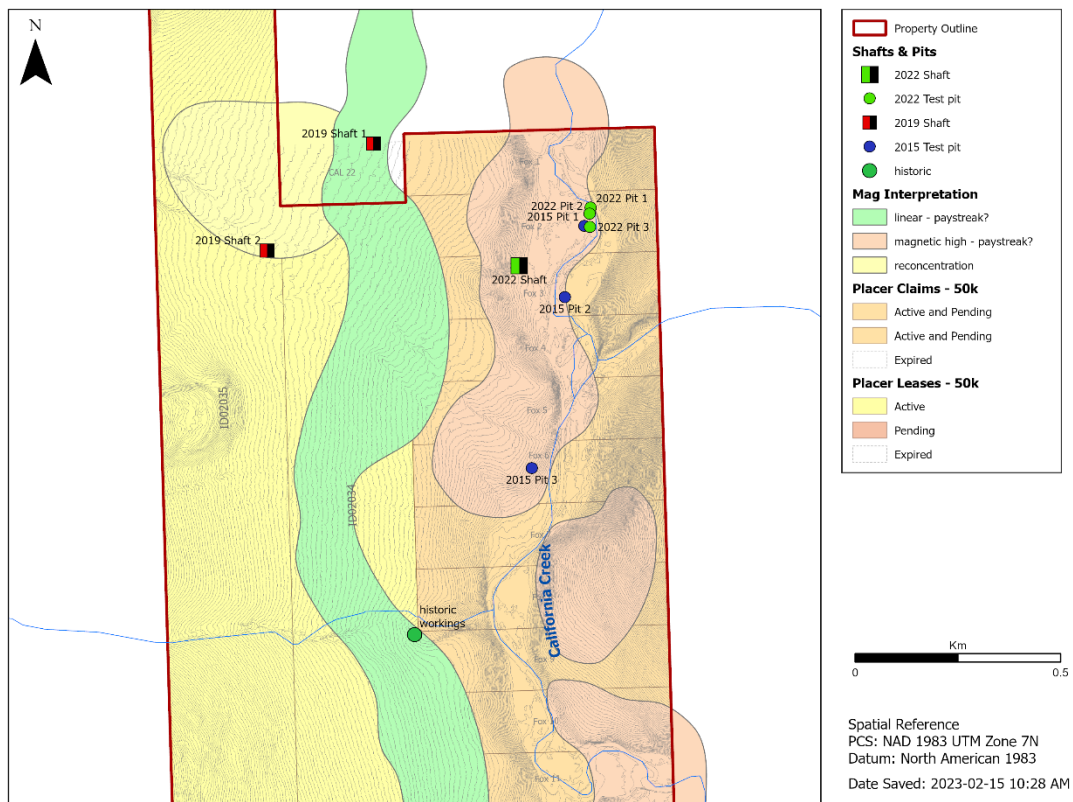

2022 Pit 2 is 50ft south of pit #1 at 07 W 0531374, 7106327

2022 Pit 3 is 60ft south of the second pit at 07 W 0531375, 7106294

Prospecting

Old timer workings and shacks on a right limit drainage at 07 W 0530948, 7105276.

Workings were on the bench and the mouth going into California Creek. Shacks were on the bench along the right limit of this drainage as it flowed into California Creek.
