Feedback on YMEP

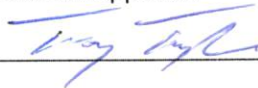

I appreciate the Yukon Government's support of this program. As a small family operation, our financial resources are limited. This program helps us do exploration of high priority areas that may allow us to continue mining as the existing areas become mined out.

Certification

I certify that:

1. I am the person, or the representative of the company or partnership, named in the Application for Funding and in the Contribution Agreement under the Yukon Mineral Exploration Program.
2. I am a person who is nineteen years of age or older, and I have complied with all the requirements of the said program.
3. I hereby apply for the final payment of a contribution under the Yukon Mineral Exploration Program (YMEP) and declare the information contained within the Summary or Technical Report and this form to be true and accurate.
