Yukon Housing Corporation
Management's Responsibility for Financial Statements

The financial statements contained in this annual report have been prepared by management in accordance with Canadian generally accepted accounting principles, and the integrity and objectivity of the data in these financial statements are management's responsibility.

In support of its responsibility, management has developed and maintains books of account, records, financial and management controls, information systems and management practices. These are designed to provide reasonable assurance as to the reliability of financial information, that assets are safeguarded and controlled and that transactions are in accordance with the *Financial Administration Act* as well as the *Housing Corporation Act* and the by-laws of the Corporation.

The Board of Directors is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control. The Board exercises its responsibility through the Financial Management Committee, which meets on a periodic basis with management and the independent external auditor to review the manner in which these groups are performing their responsibilities, and to discuss auditing, internal controls, and other relevant financial matters. The Financial Management Committee reviews the audited financial statements with the external auditor before making recommendations to the Board of Directors for their approval.

The Corporation's external auditor, the Auditor General of Canada, is responsible for auditing the financial statements and issuing a report which is included with the financial statements. The Auditor General of Canada provides her report to the Minister responsible for Yukon Housing Corporation.

AUDITOR'S REPORT

To the Minister responsible for the
Yukon Housing Corporation

I have audited the balance sheet of the Yukon Housing Corporation as at March 31, 2004 and the statements of equity, operations and cash flows for the year then ended. These financial statements are the responsibility of the Corporation's management. My responsibility is to express an opinion on these financial statements based on my audit.

I conducted my audit in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

In my opinion, these statements present fairly, in all material respects, the financial position of the Corporation as at March 31, 2004, and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles. As required by the *Housing Corporation Act*, I report that, in my opinion, these principles have been applied on a basis consistent with that of the preceding year.

Further, in my opinion, proper books of account have been kept by the Corporation, the financial statements are in agreement therewith and the transactions of the Corporation that have come to my notice during my audit of the financial statements have, in all significant respects, been in accordance with the *Financial Administration Act* and regulations, the *Housing Corporation Act* and the by-laws of the Corporation.

Yukon Housing Corporation
Notes to the financial statements
Year ended March 31, 2004

1. Authority and mission

Yukon Housing Corporation (the "Corporation") was established in 1972 by the *Housing Corporation Act* of the Yukon Territory to undertake and assist in the provision, development, maintenance and management of housing.

As reflected in the Corporation's Strategic Plan, the mission of the Corporation is to work in a fiscally responsible manner to resolve the housing needs of Yukoners and to strengthen the Yukon's economy through the housing sector by: helping the marketplace to work better; furthering the self-sufficiency of communities, industries and individuals; and assisting people where needed.

In carrying out its mission, the Corporation provides low rental housing which generates operating losses. The Corporation also provides loans for the purpose of housing. The Corporation is dependent on the Government of Yukon for funding its operations.

2. Significant accounting policies

These financial statements have been prepared in accordance with Canadian generally accepted accounting principles. Significant accounting policies follow:

(a) Grant provided by Government of Yukon

The *Housing Corporation Act* authorizes the Government of Yukon to pay the Corporation an operating grant equal to the net loss from operations. The net loss from operations is equal to the Net results of operations before government funding less the Amortization of deferred capital funding, in the statement of operations. The portion of the funding used to purchase depreciable assets is recorded as deferred capital funding and amortized on the same basis and over the same periods as the related capital assets. Funding provided in excess of the operating grant is recorded as equity.

(b) Mortgages, agreements and loans receivable

Under the Home Repair Program, the Corporation may subsidize a debtor's repayment. These subsidies, reviewed annually, are based on the debtor's ability to pay. Mortgages receivable under the Home Repair Program are stated at estimated realizable value after providing allowances for payment subsidies.

Mortgages receivable under the Home Ownership Program are fully secured and are recorded at cost.

Mortgages receivable under the Rural and Native Housing Home Ownership Programs are stated at book value. Under the Social Housing Agreement (SHA) signed with Canada Mortgage and Housing Corporation (CMHC) in 1998, the Corporation may be required to subsidize a debtor's repayment of a Rural and Native Housing Home Ownership mortgage; CMHC annual cost-shared funding provided to the Corporation includes an amount for subsidies.

Based on historical loss experience, management considers it necessary to establish an allowance for impaired loans. Loans are classified as impaired when: (1) the Corporation no longer has reasonable assurance of timely collection of the full amount of principal and interest due or (2) payments are 90 days or more in arrears, except in those cases where, in the opinion of management, there is justification to continue to accrue interest. Where appropriate, an impaired loan allowance has been established to adjust the loan carrying value to the net realizable amount.

Land sales agreements, which pertain to loans receivable from lots sold to purchasers for residential, commercial and recreational purposes, are recorded at cost.

Yukon Housing Corporation
Notes to the financial statements
Year ended March 31, 2004

(c) Housing held for sale

The development of Mountain View Place, consisting of titled mobile housing lots, is valued at the lower of cost and net realizable value.

Housing held for sale includes houses repossessed under the Home Ownership Program and the Rural and Native Housing Home Ownership program. These houses are recorded at the lower of cost and net realizable value.

(d) Capital assets

Capital assets are valued at cost, net of contributions from outside agencies and accumulated amortization. Interest on loans during construction of capital assets is capitalized.

Social housing projects financed by long-term debt are amortized using the sinking fund method based on the principal repayment of the associated debt.

Amortization is calculated using the straight-line method, over the estimated useful lives of assets (except social housing projects financed by long-term debt as noted above):

Social housing projects not financed by long term-debt	15 years
Staff housing projects and other facilities:	
Standard construction	35 years
Mobile home units	15 years
Office building	20 years
Other facilities	15 years
Furnishings and equipment	5 years
Computer systems	3 years

(e) Deferred revenue

Deferred revenue consists of funding received from Yukon Development Corporation to assist in funding a residential energy management initiative, and funding provided by Canada Mortgage and Housing Corporation (CMHC) under the Social Housing Agreement for future housing related projects and losses on interest and mortgage guarantees. Revenue for the energy management initiative is recognized as loan advances are given to clients, and CMHC funding will be recognized when housing related projects are undertaken or losses are incurred on the interest and mortgage guarantees.

(f) Employee future benefits

Employee future benefits - other non-pension benefit plans

Under the conditions of employment, employees of the Corporation may qualify for and earn employment benefits for vacation, sick and compensatory leave, travel bonus and severance benefits. The benefit obligation was determined on an actuarial basis. The obligation for vacation, sick and compensatory leave, travel bonus and severance benefits was calculated using the projected benefit method pro-rated on service. The remaining obligation was calculated assuming all employees would receive the benefits on valuation date.

Yukon Housing Corporation
Notes to the financial statements
Year ended March 31, 2004

(f) Employee future benefits (continued)

Pensions

Employees participate in the Public Service Superannuation Plan administered by the Government of Canada. The Corporation's contribution to the Plan reflects the full cost of the employer contributions. This amount is currently based on a multiple of the employees' required contributions, and may change from time to time depending on the experience of the plan. These contributions represent the total pension obligations of the Corporation and are charged to operations on a current basis. The Corporation is not currently required to make contributions with respect to actuarial deficiencies of the Public Service Superannuation Account.

(g) Management estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from these estimates. Estimates are used when accounting for matters such as impaired loans, allowances for payment subsidies for Home Repair Loans, amortization, employee future benefits and contingencies.

(h) Recoveries - Cost-shared agreements

Under the Social Housing Agreement signed with Canada Mortgage and Housing Corporation (CMHC) in 1998, the Corporation has entered into cost-sharing agreements whereby operating deficits of certain housing projects are cost shared with CMHC. The Corporation has also entered into cost-sharing agreements to share the operating deficits of certain housing projects with the City of Whitehorse.

3. Cash

The Corporation has an operating demand overdraft facility with its banker of up to \$11,000,000 at bank prime. At year-end, the bank prime rate was 4.00% (2003 - 4.75%). The overdraft facility is guaranteed by Government of Yukon.

6. Seniors' Housing Management Fund

The Seniors' Housing Management Fund was established under section 7 of the *Housing Corporation Act* to provide for the future housing needs of Yukon's seniors. The Government of Yukon approved the establishment of the Fund in October 2000.

The Fund receives Government of Yukon funding through an annual appropriation and an appropriation equal to interest revenue generated by the Corporation's Green Mortgage Program and interest revenue earned on monies held within the Fund. The Corporation has not yet secured Government of Yukon approval on the parameters for the operation of the fund; there have been no payments made out of the Fund.

Changes in the Seniors' Housing Management Fund are as follows:

12. Financial instruments

The fair values of the financial instruments were determined using the present value of future cash flows discounted at the March 31, 2004 average market rate for mortgages and loans with similar maturities.

The balances in Due from Canada Mortgage and Housing Corporation, Accounts receivable - other, Accounts payable and Due to Government of Yukon are non-interest bearing and have fair values that approximate their carrying amount due to their short term to maturity.

The carrying amount and estimated fair values of the financial instruments are as follows:

	2004		2003	
	Carrying Amount	Fair Value	Carrying Amount	Restated Fair Value
Thousands of dollars

	<u>\$ 46,627</u>	<u>\$ 37,698</u>	<u>\$ 49,564</u>	<u>\$ 36,277</u>

These financial instruments do not have active markets. The fair value of these instruments may not reflect realizable amounts.

The balances in Due from Canada Mortgage and Housing Corporation, Accounts receivable - other, Accounts payable and Due to Government of Yukon are the result of transactions incurred in the normal course of business and have no significant credit risks.

Certain comparative figures have been restated to conform with the 2004 presentation.

13. Related party transactions

The Corporation is related in terms of common ownership to all Government of Yukon departments, corporations and agencies. In addition to those related party transactions, disclosed elsewhere in these financial statements, the Corporation enters into transactions with related entities in the normal course of business.

14. Commitments and contingencies

	<u>2004</u>	<u>2003</u>
	Thousands of dollars	
Outstanding contractual obligations to complete the funding of mortgages receivable as at March 31.	\$ 1,591	\$ 1,563
Subsidies to private social housing organizations	428	873

Pursuant to a Supreme Court of the Yukon Territory court order, Yukon Housing was appointed Receiver/Manager of an independent third party entity the Whitehorse Housing Co-operative Association Limited effective December 9, 2003.

Pursuant to an agreement signed with Canada Mortgage and Housing Corporation in 1998, Yukon Housing is liable for a mortgage payable by the Whitehorse Housing Co-operative (currently \$1,341,000) if it goes into default. Management believes that they will be able to repay the mortgage in full through the sale of the houses (against which the mortgage is made) in the event of default.

15. Mortgage guarantees

The cost of house construction often exceeds the market value of that house in Yukon communities. Canada Mortgage and Housing Corporation provides mortgage insurance for up to 95% of the market value of a new home. Under the Extended Mortgage Guarantee Program, the Corporation will insure for up to 95% of the cost of a new house, therefore enabling rural Yukon residents to have access to insured mortgage financing.

The contingent liability for mortgage guarantees under this program as at March 31, 2004 is \$163,000 (2003 - \$242,000).
