

**INDEX MAP**  
 OF THE  
**YUKON DISTRICT N.W.T.**  
 THE NORTHERN PORTION OF  
**BRITISH COLUMBIA**  
 AND ADJACENT REGIONS  
 TO ACCOMPANY REPORT OF  
 GEORGE M. DAWSON D.S., F.G.S., &c.  
 1888.

- Approximate Northern Limits of *Pinus Murrayana*.
- ..... Approximate North-Western Limits of *Larix Americana*.
- ..... Approximate Inland Limit of Coast Flora.

*Note.*— This map is in part a reduction of the preliminary map of the Yukon-Mackenzie region, prepared by Mr. J. Johnston, C.D., of the Dept. of Interior, 1877. To the information then available, late surveys, as shown on detailed maps, have been added. Porcupine River, from first reduction of Survey by R. G. McConnell, 1888. Traverse by Tatonduc to Porcupine, from W. Ogilvie, 1888.
