

## **Mining and Groundwater Geophysics 1967**

Please note the following errors in Mining and Groundwater Geophysics 1967 and amend the book accordingly:

- Page 191 - Title should read, "Geophysical applications of modern computer systems"  
- G.F. West and F.S. Grant are with the University of Toronto, and L. Martin is with Computer Application & Systems Engineering.
- 238 - Authors should be M.J.S. Innes and R.A. Gibb
- vii - Amend contents for page 238 to read "M.J.S. Innes and R.A. Gibb"
- 721 - After "Gerryts, E..... ", add "Gibb, R.A. A new gravity anomaly map of Canada: an aid to mineral exploration. 238"
