LEGEND

TERTIARY	L Liasian	K5a K5a
MESOZOIC	K4 Belly River	K4a Dauvignon
CRETACEOUS	K3 Niobrara	K3a K3a
PALEOZOIC	K2 Devonian	K2a Devonian
PRECAMBRIAN	A2 Laurentian	A1 Keweenaw and Huronian

Note: The term Liasian is used with the implied meaning given by C. H. Dawson in the Report of Progress for 1900-01, page 41, as a group term to include all the stratigraphically conformable formations from the top of the Peace Fork till to the unconformity below the Oligocene.
