

PROPERTY	STRUCTURAL LOCATION			WALL-ROCKS				REMARKS
	Below schist capping	At vein fault junctions	Unknown	Quartzites	Greenstones	Phyllites and schists	Greenstone or quartzite on one wall, schist on the other	
(1) Bellekeno area	X			X	X		X	Oxidized lead-silver ore shoots
(2) Moth	X			X	X			High-grade zinc orebody. Low-grade silver and lead orebody
(3) Onek		X		X				High-grade silver on upper levels. Low-grade silver, high-grade zinc on lower levels
(4) Mount Keno (Hogan Vein)			X	X				Siderite and pyrite lenses
(5) Ankeno				X				No extensive mineralized zones
(6) Mount Keno (Runer Vein)	X			X	X			Small high-grade ore shoots
(7) Vanguard			X	X				Sparsely mineralized zone
(8) Apex Claim			X	X				" " "
(9) Homestake Group			X	X				" " "
(10) Helen Fraction	X					X	X	" " "
(11) Willow Claim			X	X				" " "
(12) Faith System			X			X		" " "
(13) Caribou	X			X				Pods of galena etc. Small ore shoot
(14) Gold Queen	X			X				Sparsely mineralized zone
(15) Ladue Fraction	X			X	X			" " "
(16) Silver Basin	X			X				" " "
(17) Nabob No. 2			X			X		" " "
(18) Lakeview	X						X	" " "
(19) Main Fault and Nabob No. 1			X	X				Sparsely mineralized zone at Nabob. Remainder of system not investigated
(20) No. 9 System	X	X		X	X		X	High-grade silver orebodies
(21) Gold Hill No. 2	X	X		X				Sparsely mineralized zone
(22) Comstock-Keno	X				X			Small high-grade silver ore shoot
(23) Porcupine	X				X		X	" " " " "
(24) No. 6 Vein	X						X	Quartz-arsenopyrite veins, some galena and sphalerite
(25) No. 1 Vein		X (?)		X				Small high-grade silver ore shoot
(26) Gambler			X	X				Small ore shoot
(27) Shamrock	X	X		X				High-grade silver ore shoots
(28) Black Cap	X			X				Sparsely mineralized zone
(29) Croesus No. 1	X						X	Massive siderite lenses
(30) Dorothy			X	X	X			" " "
(31) Kijo	X						X	Sparsely mineralized zone
(32) Klondyke-Keno	X				X		X	Sparsely mineralized zones
(33) Sadie-Friendship	X					X	X	High-grade silver ore shoots
(34) Ladue No. 1 orebody		X				X		High-grade silver ore shoot
(34) Ladue No. 2 orebody	X	X			X		X	" " " "
(35) Lake Claim			X			X		Sparsely mineralized zones
(36) Lucky Queen		X		X				High-grade silver ore shoots
(37) Bunny-Highlander	X			X	X	X		Small mineralized zones
(38) Stone	X				X		X	" " "
