**Table 1 Summary of Project Consultations (May - August, 2006)**

Date	Method of Communication	Parties Represented	Individuals Involved	Explanation of Correspondence	Response to Comments
May 4, 2006	Please note:			<b>Company name change; Western Copper Corporation commenced operations, as a successor company of Western Silver Corporation.</b>	
May 23, 2006	MEETING	LSCFN Western Copper	Dale Corman Jonathan Clegg David Jensen Chief Skookum Councilors	General discussion between Western Copper and LSCFN about Carmacks Copper Project and meeting new Western Copper Corporation (established May 4, 2006) team. Agreed to continuing further discussions.	Further consultation with community planned.
May 24, 2006	MEETING	SFN Western Copper	Dale Corman Jonathan Clegg David Jensen Chief Issac Councilors	General discussion between Western Copper and Selkirk FN about Carmacks Copper Project and meeting new Western Copper Corporation (established May 4, 2006) team. Agreed to continuing further discussions.	Further consultation with community planned.
May 30, 2006	Email Correspondence	ACG LSCFN Western Copper	Dan Cornett Susan Davis David Jensen & Jonathan Clegg	Follow-up email on behalf of Western Copper, as a result of meeting with Chief and Council. Looking to schedule a follow-up meeting with Chief and Council on a date around the LSCFN G.A. Also requesting a community kitchen-type information and education session. Requests Ms. Davis to advise of Chief and Council's preference for a meeting schedule.	Not applicable.
May 31, 2006	Email Correspondence	LSCFN ACG Western Copper	Cathy Cochrane	Advises that Chief and Council will find a date for above-mentioned meeting and advise. ACG acknowledges response and looks forward to hearing of date.	Not applicable.
June 6, 2006	Email Correspondence	LSCFN ACG Western Copper	Cathy Cochrane	Advises that Chief and Council will meet Western on June 11, 2006 at 7pm at the General Assembly.	Not applicable.
June 11, 2006	MEETING	LSCFN Western Copper	Chief Skookum Three Councilors David Jensen Jonathan Clegg Dan Cornett	Meeting occurred between LSCFN and Western Copper at LSCFN General Assembly with three Councilors from LSCFN at Airport Lake to review draft poster presentation.	Draft posters presented and reviewed with Councilors. Comments provided to company on information material and poster format. Incorporate ways to symbolize mining processes and use of Northern Tutchone language. Include additional poster on water use and solution management. Comments directly incorporated into revised posters for community use.
June 12, 2006	Email Correspondence	ACG LSCFN Western Copper	Dan Cornett Cathy Cochrane	Advised that Western Copper met with George, Mary and Darlene and reviewed the poster presentation. George indicated Western Copper should work with LSCFN to set the community meeting date, possibly first week of July. Would also like to discuss and reaffirm understanding of LSCFN traditional use in the project area and LSCFN governance and organization.	Not applicable.
June 14, 2006	Email Correspondence	LSCFN ACG Western Copper	Cathy Cochrane Dan Cornett	LSCFN request poster to hang-up to promote upcoming meeting.	Meeting notice poster provided and circulated by LSCFN.
June 14, 2006	Email Correspondence	Western Copper ACG LSCFN	Dan Cornett	Request for poster promoting upcoming meeting and requesting confirmation of date, as Cathy will be away from office on the Friday prior. July 5, 2006 is advised as confirmed meeting date.	Meeting notice poster provided and circulated by LSCFN.
June 27, 2006	Email Correspondence	LSCFN ACG Western Copper	Susan Davis	Providing a heads-up that Chief Skookum will be contacting Western Copper to cancel the community meeting on July 5. LSCFN will contact Western Copper re when they are prepared to move forward with the community consultation process.	Follow up to confirm understanding of meeting cancellation.
June 30, 2006	Email Correspondence	LSCFN ACG Western Copper	Susan Davis	Confirming that there is an understanding that July 5 meeting is cancelled. Ms. Davis says she has spoken to Chief Skookum and he confirmed that it is cancelled, however his office staff are away and have not contacted company yet. Also notes she has seen flyers for July 6 meeting and is confused why this is happening, as she said in previous email that there are internal issues that need to be addressed prior to conducting public meetings.	Follow up to confirm understanding of meeting cancellation. Explanation provided about Village of Carmacks public meeting and notice.
July 5, 2006	Letter sent via email	Western Copper LSCFN	Dale Corman Chief Skookum	Letter expressing concern regarding discussion between Western Copper personnel and Susan Davis on July 4, 2006 regarding cancelled July 5 meeting. Invites LSCFN to attend July 6, 2006 community presentation in Village of Carmacks, if a meeting can not be arranged earlier in the day on July 6.	Invites LSCFN to attend July 6, 2006 community presentation in Village of Carmacks, if a meeting can not be arranged earlier in the day on July 6.
July 6, 2006	Letter hand-delivered at July 6 meeting	LSCFN Western Copper	Chief Skookum Dale Corman	Response to above-mentioned letter.	Follow up to schedule further meetings.
June 5, 2005	Email Correspondence	Selkirk FN	Candice Menzi Darin Issac	Informing Chief that Western Copper would like to meet on June 11, 2006.	Follow up to schedule further meetings.
June 5, 2005	Email Correspondence	Selkirk FN	Candice Menzi Dan Cornett	Informing ACG/Western Copper that June 21 is not suitable, but suggested June 20, 2006.	Follow up to schedule further meetings.
June 7, 2006	Email Correspondence	Selkirk FN & Western Copper	Dan Cornett	Informing Selkirk FN that June 20, 2006 is suitable and thanks Chief and Council for opportunity to meet.	Confirmation of meeting.
June 13, 2006	Email Correspondence	Selkirk FN & Western Copper	Dan Cornett	Confirmed 1pm on June 20, 2006.	Confirmation of meeting.

**Table 1 Summary of Project Consultations (May - August, 2006)**

Date	Method of Communication	Parties Represented	Individuals Involved	Explanation of Correspondence	Response to Comments
June 14, 2006	Email Correspondence	Western Copper ACG	Jonathan Clegg Dan Cornett	Confirming discussions of Sunday, in addition to the meeting with Selkirk FN on June 20, 2006. Informing that Cam Brown will attend technical meeting on June 22, 2006.	Confirmation of meeting.
June 20, 2006	MEETING	Village of Carmacks & Western Copper	Mayor and Councillors Cam Brown David Jensen, Dan Cornett	Meeting with Village of Carmacks.	Reviewed project status and presented planned posters for public meeting. Comments incorporated into revised posters.
			Dan Cornett		
June 5, 2006	Letter	Western Copper & LSCFN Chief	Dale Corman	Letter thanking LSCFN for meeting with Western Copper and discussing project and requesting follow-up meeting to review a newly developed presentation in advance of further meetings in larger community setting.	Follow up to schedule further meetings.
June 14, 2006	Email Correspondence	Western Copper & Selkirk FN	David Jensen Beverley Brown	Follow-up to telephone discussion. Discusses June 14, 2006 meeting with LSCFN. Invitation to meet with Selkirk FN on June 20, 2006 to share similar information to above-mentioned LSCFN meeting, hear the thoughts of Selkirk FN and review the community consultation presentation posters.	Follow up to schedule further meetings.
June 19, 2006	Email Correspondence	Western Copper & Selkirk FN	David Jensen Beverley Brown	Reiteration of above-mentioned email. Expresses that Western Copper would appreciate the opportunity to meet with members of Selkirk FN Council on June 20, 2006 to review presentation material and obtain input.	Follow up to schedule further meetings.
June 19, 2006	Email Correspondence	Selkirk FN & Western Copper	Beverley Brown David Jensen	Expresses there is no available space for a meeting with Selkirk FN and Council, with the next available slot in mid-August and apologizes for inconvenience.	Follow up to schedule further meetings.
June 23, 2006	Email Correspondence	Western Copper & Selkirk FN	David Jensen Beverley Brown Chief Issac	Expresses regret that Selkirk FN were unavailable to meet with Western Copper on June 20, to review and discuss content of draft community consultation posters. Invitation to present materials to Selkirk FN at Pelly Crossing from 11am - 3pm on July 5, 2006.	Follow up to schedule further meetings.
June 26, 2006	Email Correspondence	Selkirk FN & Western Copper	Beverley Brown David Jensen	Advising Selkirk FN General Assembly is July 4-6, 2006 and Western Copper can arrange posters then.	Follow up to schedule further meetings.
June 28, 2006	Email Correspondence	Western Copper & LSCFN Chief	David Jensen Chief Issac	In confirmation of discussion on June 26, and confirmed via email on the same date with Beverley Brown, Western Copper will attend Selkirk First Nations G.A on July 4 to display information materials and answer questions about the Carmacks Copper Project.	Follow up to schedule further meetings.
July 4, 2006	MEETING	Selkirk FN Western Copper	Selkirk FN General Assembly David Jensen Cameron Brown Dan Cornett Nicole Rizgalla	Poster presentation occurred at Selkirk FN General Assembly with general discussions with over 20 Selkirk representatives, including Chief Issac. More than 100 individuals passed through the display area. Topics discussed include the location of the project area, the 'liner system', socio-economic opportunities, project environmental effects & mitigation measures, heap leach system, and a possible site visit. Enthusiasm expressed for the project to move forward and give the community an opportunity to fulfill training and employment requirements of the project.	The location of the project area was discussed and demonstrated on the posters. Explanation of project components was provided. The availability of community training, business and service opportunities were discussed with reference to the posters. Mitigation measures were described for potential environmental effects. A site visit was requested and subsequently arranged for August 15, 2006.
July 4, 2006	OFFICE VISIT	LSCFN Western Copper	Susan Davis David Jensen Cameron Brown Dan Cornett Nicole Rizgalla	Western Copper visit LSCFN offices and have discussion with Susan Davis, to decipher whether July 5 meeting had been cancelled, as Western Copper had not been contacted by Chief Skookum.	Confirmed meeting cancellation.
July 6, 2006	MEETING	Village of Carmacks Western Copper	Village of Carmacks representatives David Jensen Cameron Brown Dan Cornett Nicole Rizgalla	Poster presentation occurred at Village of Carmacks recreation hall with general discussions with over 10 Village of Carmacks representatives, including Acting Mayor Elaine Wyatt and Councilor Meta Baillie. There were discussions on potential socio-economic effects; the negative perception of mining due to prior BYG mining operation; potential environmental effects and proposed mitigation.	Discussions of problems with youth in the Village of Carmacks and the lack of motivation derived from reliance on welfare and lack of opportunities. Training and employment opportunities for ongoing work were discussed. Mitigation measures for potential environmental effects, particularly in relation to the heap leach facility were provided. The possibility of making contracts attractive to First Nation communities by offering flexible work hours was discussed. Seems to be a positive attitude regarding future opportunities for the community.
July 18, 2006	Email Correspondence	Western Copper & LSCFN Chief	David Jensen Chief Skookum Susan Davis	Request to send Western Copper representatives to July 24 community meeting at the LSCFN Heritage Hall to discuss Carmacks Copper Project.	Follow up to schedule further meetings.
July 18, 2006	Email Correspondence	LSCFN & Western Copper	Susan Davis David Jensen	Response to above-mentioned email, indicating that they have the required technical information to hold the meeting and that after this meeting, they will make the appropriate meetings with YESAA, YTG and Western Copper.	Follow up to schedule further meetings.
July 21, 2006	Letter sent via email	Western Copper	David Jensen	Invitation extended to LSCFN, Selkirk FN, Village of Carmacks, Yukon Government and YESAB to view the Carmacks Copper Project Area on August 15, 2006.	Follow up to schedule site tour.
August 9, 2006	Email Correspondence	Western Copper & LSCFN Chief	David Jensen	Reiteration of invitation to view the Carmacks Copper Project on August 15, 2006 is extended to LSCFN.	Follow up to schedule site tour.
August 15, 2006	SITE TOUR (Carmacks Copper Property)	Village of Carmacks Selkirk FN LSCFN Yukon Govt Western Copper	Dale Corman Jonathan Clegg David Jensen Cam Brown David Jensen Dan Cornett Representatives from Carmacks community	Invitation was extended to Selkirk FN, LSCFN, Village of Carmacks and Yukon Government representatives. Attendees included: four representatives from Selkirk FN, one representative from LSCFN, one representative from Selkirk Renewable Resources Council, two representatives from Village of Carmacks, three representatives from YESAB, seven YG representatives, and one Yukon Energy representative.	Responses were provided to questions regarding solution management, water treatment, closure measures, revegetation, security bonding, and socio-economic opportunities.

Table 2 Summary of Research Northwest Project Contacts

Contact Date	Method of Communication	Parties Represented	Individuals Involved	Topics	Project Comments / Issues
