Re: Request for Meeting November 17 regarding Kudz Ze Kayah Project

Dear Mr. Miller:

Now that we have completed our Prefeasibility Study on the Kudz Ze Kayah Project, BMC is planning another round of community consultations with all affected First Nations and residents of affected communities. As part of this process, we would like to suggest a meeting with yourself and your Board from 3:00 to 5:00 on November 17, 2016. This meeting would include LFN Chief and Council as well. Following this meeting, we are proposing to conduct a community Open House at the Watson Lake Rec Centre from 6:30 to 8:30.

We will soon be sending you a copy of our Project Overview document, which provides details about the Kudz Ze Kayah Project Proposal, so that you may have an opportunity to review the document and be prepared to discuss the Project at our meeting.

We would appreciate you circulating this notice to your entire Board, and I will call you next week to discuss and hear how many of you will be available for this important meeting.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rob McIntyre', with several long, sweeping strokes extending from the end of the signature.

INVITATION TO PARTICIPATE IN COMMUNITY ENGAGEMENT Kudz Ze Kayah Mine Project

COMMUNITY TOUR NOV. 14 – NOV. 18, 2016

BMC Minerals is continuing community engagement regarding the proposed Kudz Ze Kayah Mine Project. With the technical studies and engineering work to support our Pre-feasibility Study of the Kudz Ze Kayah Project complete, BMC Minerals is preparing a Project Proposal for submission to the Executive Committee of YESAB early next year. In support of the development of that submission, BMC has prepared a Project Overview.

Members of our project team are hosting a series of community meetings. You can provide feedback and learn more about the project by: Attending a community meeting (see schedule below); Calling: 867-336-3537; Providing a written submission by email: robm@bmcm minerals.com or Mail: # 530-1130 West Pender Street, Vancouver, BC V6E 4A4.
