MAR 04 1989

DAP  
EIP

Dear Sir:

RECEIVED  
MINES

This is my diary  
prospecting this past summer  
some with Arthur John Sr.  
+ some time with Arthur John Jr.  
+ Nora my wife. Most of the  
bills are in Noras name  
but I paid them.

Some bills I couldn't find  
that is for maps. I got 34 claims maps.  
+ 1 set Regional stream sediment +  
water geochemical data  
Southeastern Yukon  
these are those.

And another thing I have not  
received any money towards my prospecting  
as yet. at is advance.

Yours truly  
Frankli Charli

These are the assay results  
some belongs to Arthur John Mc  
Whelan & Lawrence Tommy  
are out prospecting.

These are the days that I have  
prospected this past summer with  
Arthur John Sr. at times + some other  
times with Arthur John Jr. + my  
wife Nora.

Sat. April 16 1988

(ROCK SAMPLES KĒZA

Rock SAMPLES  
NAME PIT

Today we prospected on the north  
side of Campbell road on Ketye river.  
Got some rock samples

Sun. 17

I went up on the north Canal road  
to Deep creek + got some rock samples

Mon. 18

Today we went to Hoole Laymon  
set up camp and did some prospecting

Tue. 19

We staked out 20 claims today

Wed. 20

Today we went prospecting more on  
the claims + picked up some rock samples.

Thurs. 21

Today we picked up more samples  
from other places in that area +  
John Brock took all the samples  
back to Vancouver.

Fri. 22

I went back to Ross River  
while Art Sr. stayed in camp, to get  
a power saw ~~chain~~ chain

Sat. 23 I went back to camp  
and stake 4 placer claims.  
(assay on gravel samples. weren't  
good so didn't record them)

Sun. 24 We took down the camp +  
went back to Ross River.

May.

May 5 I went to Watson Lake +  
recorded the Pit claims #1-20

Wed. 11  
ROCK SAMPLES  
NAME PELLY We left Ross River going down  
the pelly we got some rock samples  
on the claims we stake last fall  
(Dec. 4 PELLY claims) on the mouth of  
Moose Creek.

Thurs 12  
Today we left moose creek  
going down river, stopped at Faro  
and got gas + groceries, and went  
down river camped at Old Rose.

Fri 13 Today we prospected on south side  
of river up from Old Rose got  
soil samples.

Sat. 14 Today went down river to mouth  
of Jay river + prospected up about a  
mile on Jay + stake 6 claims + (which  
we didn't record do to low reading)

TAY

Sun. 15 today we went up Tay about 12 miles got some rock samples. Stayed overnight.

Mon. 16 We went ~~down~~ down to our camp on the Pelly then went up river to a creek just below fish hook rapids and went prospecting up on Mt. Tay. did find what we were looking for.

Tues 17 We stayed out overnight. got up at 4 AM, then went back to the boat 9 AM had breakfast then left going up river. stopped about 2 miles above Anvil creek and pick up some rock samples. then left, had motor trouble camped about 10 miles below Old Rose Mt.

ROCK SAMPLES  
ANVIL

Wed 18 Today we went prospecting on the mountain between Anvil + Pelly river. we found a showing some copper + as. went back to camp. then went up river. went about 4 miles had to ~~stop~~ stop motor trouble. Stayed overnight.

Thurs. 19 We left around 4:30 AM, had to stop again, motor trouble I switch motors but the motor doesn't work, worked on motor all day lots of broken lines to car. So I put back the one I had on before then left only one cylinder working.

hit a sand bar about  
12 midnight to dark so we  
camp about 6 miles below Faro

May 20  
FRI.

I couldn't get the motor going  
didn't shut off the key last  
night so we walk to Faro  
phone home so someone could  
pick us up. Peter Ladue came  
down borrowed his boat and  
took his battery back down  
to my boat, got it going then  
went back up to Faro, after we  
went back home to Ross River.

May 22  
Sun.

Today we went back to the  
showing to state 20 claims  
with the chopper. Jack Mackintosh  
took more samples.

Name  
ROSE

(didn't record them because low  
gold reading)

May 23  
Mon.

I went prospecting on a creek  
that runs into Ketya River  
found only floats pyrite & copper.

May 25  
Wed.

Today we went down to Little Samton  
lake prospected across the lake from  
the Grader Station.

May 26  
Thurs.

Today we got rock samples from  
a place about halfway between Little  
Samton & Faro.

June 19

Sun

Today I went prospecting  
at Lapie up on the mountain side  
pick up 8 rock samples.

June 20

Mon.

We left Ross River today going  
to Wolverine Lake

June 21

Tue.

We got to Wolverine Lake 2 AM.  
Arther Jr. & Nora & Rose

Art & myself went prospecting  
about 3 miles down on the side of  
the lake on the mountain side  
we picked up some rock samples.  
mostly syenite

June 22

Wed.

It rain all day today. fog in late  
evening. hope it'll be better tomorrow

June 23

thurs

rain in the morning. went out  
in the afternoon to prospect the  
lower end of the lake up on the  
mountain

June 24

Fri.

rain most of the day decide  
to go back to road & prospect  
on way. we got some rock samples  
all the rock samples are name (TEX)

June 25

Sat.

Went back to Ross River. then  
took rock samples to Whitehorse  
to ship to Vancouver.

July 12  
Tue. Arthur Jr. & myself got a ride  
NAME with John Witham to Star creek  
STAR ← he was going to Welcome North camp  
empty load. We got off on top  
of mountain did some prospecting  
picked up rock samples.  
Then went down to ~~the~~ creek  
to set camp.

July 13  
Wed. We prospected up one creek  
that runs into Star creek from  
the west. We got some rock samples.

July 14  
Thurs. The chopper id suppose to pick  
us up today in the morning but  
rain & fog wait until 11 p.m.,  
then set up tent again.

July 15  
Fri. Today we wait again until  
afternoon then went back to  
Ross.

~~July 16~~

July 17  
Sun. We went out to Bruce lake set  
~~out~~ up camp & prospected up  
on the new road to Ketcha Mine  
about 3 miles.

July 18  
Mon. Art Jr. & myself we prospected on  
east side of road & Art John Jr. &  
Lawrence Tommy went up on Bruce  
hill.

July 19  
TUE.

Art Jr. + myself went back to Ross to get ready to go to Wolverine Lake.

July 23  
SAT.

Art Jr. Rose + myself went to Wolverine Creek, then by four wheeler + three wheeler to Wolverine Lake. Got here about 9:30 P.M. Then we got in boat and went about 3 miles down on lake where we will be pick up tomorrow by Ross River Flying services.

July 24  
Sun.

The plane got here 9:45 AM. picked us up and took us to another lake west of here about 6 miles. here he drop off my wife Nora + Tootie my sister.

From there we started to walk up & over the mountain going to the head waters of Money Creek. On the way we found some Moly. we camp on a small creek it started to rain.

July 25  
Mon.

SAMPLE  
NAME  
SHEEP

Today we all went up Money Creek about two miles set up camp then Art + myself went prospecting we pick some rock samples. we seen a record Ram.

July 26  
Tue.

today we went up to the head of the Money Creek prospected got some samples. rain off & on.

July 27  
Wed.

today we went back to Wolverine lake Nora & myself went back the way we came & the others went the other way around a mountain which was better going. I picked up soil samples on the way out to the lake while we were drop off. We got here about 11:30 p.m. Art & them still never arrive.

July 28  
Thurs.

Got up this morning they still never come rest here until they came 3 p.m. we had lunch then started walking again towards Wolverine lake about 6:30 p.m. we walked till it got too dark then make camp about 2 miles west of Wolverine Lake.

July 29  
Fri.

Today we got to Wolverine lake went to East side of lake & make camp then we went down to the end of lake it started to rain & blowing so decide to turn back.

July 30  
Sat.

Today we got some visitors from faro they come out by plane. Nora & myself went up the Mountain

June 16  
Thurs.

We prospected on a toade road  
at Fox creek today we got some  
rock samples.

June 17  
FRI.

We pick up more rock samples  
today same area

SAMPLES  
NAME  
TEX

To prospect. picked up a bunch of rock samples got back to camp late evening then we move camp back to where we ~~left~~ left our bikes. stay overnight.

July 31  
Sun.

Today got up pretty good day. Art took Iotise down to the road about 14 miles then came back and the four of us went to the road. got there around 3:30 PM. They went to Ross River.

Aug. 2  
Tue.

Went to Whitehorse to send Rock samples to Vancouver.

Aug 6  
Sat.

Today we went to Seagull lake set camp about 3 miles south of lake.

Aug 7  
Sun.

We went prospecting down towards Mcconnell river about 6 miles no luck didn't find anything.

Aug 8  
Mon.

We move camp today to Rose lake I prospected up on Upper Sheep Creek about eight miles got some soil samples.

Aug 9  
SAMPLES  
NAME  
STORMY

Today Nora + myself went to Stormy Mountain to get some rock samples

Aug 10  
Wed

We prospected up Rose Creek and got some Rock + Soil samples.

Aug 11  
THURS

today we staked 4 claims (but didn't record them because the rock samples didn't assay good, but the soil samples are good, we have to go back there next season)

Aug 12  
FRI.

I prospected on a creek that runs into Lapie lake east side. at the old army camp. got some rock samples.

Aug 14  
Sun.

Today Arthur Sr. + Arthur Jr. + myself + Lawrence Tommy + Nora. went to Carmacks or Frenchman lake to look at an outcropping there got here late evening set up camp did some fishing but no luck.

Aug 15  
Mon.

Got up early and went to the outcrop looks good got some samples, we found some blue agate here. got back to camp packed up then left to Mackenzie river. on the way we picked up 2 silt samples from creek on west

end of Little Saraton lake  
got to ~~bridge~~ Megandy Creek.  
we went or walked about  
3 miles up the Creek looking  
for an outcropping ~~at~~ which  
Art Sr. got samples from before  
to get some more it got late  
so we camped out no blankets  
pretty cold. just some tea-sugar  
& lunch for one meal

Aug 16  
Tue

Got up early kept going up creek  
we found some rock samples &  
also picked up soil samples.  
Got back to Road then went  
back to Loss River.

Aug. 19  
Fri.

Today myself & my family went  
up on the North coast, Arthur Sr. & Jr  
will come up later today or tomorrow  
we made camp at Itis Creek

Aug. 20  
Sat.

I prospected some on the  
road going to Barite Mountain  
today. then in the afternoon  
we went across the border  
got one moose (bull)

Aug. 21  
Sun

went and got the meat today

Aug. 22  
Mon.

John Witham pick us up today  
a flew us about 20 miles east of here

To prospect River. got off on  
the mountain top Ard & myself  
then took Ard sr. down to  
the river where he set up camp.  
we then prospected our way  
back down to camp picked  
up rock & soil samples.  
These are name Mcpenay.

Aug. 23  
Tue. Today it rain in the morning  
but got out and prospected  
in the afternoon.

Aug. 24  
Wed. Today we prospected up river  
from our camp. Got rock  
samples.

Aug. 25  
Thurs. Today we prospected up on the  
mountain side. we found a big  
gossan picked up rock & soil samples.

Aug. 26  
FRI. Today it rain but John Witham  
pick us up and take us back  
to the road.
