Dear Shirley;

Re: Eugene Curley, Prospecting results, Mt. Nansen Area

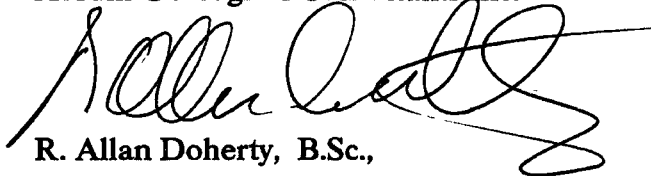

Please find enclosed, copies of two Invoices to Mr. Eugene Curley from Aurum Geological Consultants Inc., as well as geochemical sample results and a location map showing sampling sites.

You should also note that samples EC-1 through EC-9 are rock samples from the Faro area, Eugene Curly will have to supply sample locations for these.

Should you require any additional information do not hesitate to contact me.

Sincerely,
