

Yukon Mineral Exploration Program Transfer Payment Agreement

Project Funding for The HESS Exploration Project

THIS AGREEMENT made at Whitehorse, Yukon

BETWEEN:

The Government of Yukon, as represented by the Yukon Geological Survey ('YG')

AND:

Anthill Resources (Yukon) Ltd., carrying on business under the laws of Yukon with an address of Suite 1105, 750 West Pender St, Vancouver, BC, V6C 1G8, as represented by Wanjin Yang (the 'Recipient')

being collectively the parties (the 'Parties') to this Transfer Payment Agreement (the "Agreement").

WHEREAS

- A. The Recipient has submitted a proposal which qualifies under the Yukon Mineral Exploration Program for one-time financial assistance to assist with the costs of a program of exploration work on the HESS (the "Project").
- B. YG wishes to provide the Recipient with financial assistance to support the Project.

NOW THEREFORE in consideration of the mutual promises contained in this Agreement, the Parties agree as follows:

1. This Agreement

This Agreement, together with all the Schedules and appendices, shall be read collectively and constitutes the whole Agreement between the Parties, and no oral or written representations on its subject matter are valid unless incorporated in this Agreement.

2. Definitions and Interpretation

2.1 In this Agreement:

‘Budget’ means the total amount of revenues and expenses, including any ‘in-kind’ and ‘own-resources’ assistance, budgeted for the Project and detailing the use of Funds as set out in Schedule A;

‘Financial Report’ means a report of all actual and budgeted Project revenues and expenses;

‘Fiscal Year’ means the year commencing on April 1st in one calendar year and ending on March 31st in the following calendar year;

‘Funds’ means the financial assistance provided by YG to the Recipient pursuant to this Agreement;

‘Project’ means the activities and work plan as more fully described in Schedule A;

‘Records’ means invoices, receipts, vouchers, bank statements and all transactional information pertaining to incurred expenses and commitments made by the Recipient or its agents in carrying out the Project and the obligations of this Agreement; and

‘Terms of Payment’ means the terms of payment as set out in Schedule A.

2.2 In this Agreement, words importing a singular number shall include the plural and vice versa, as required by the context.

2.3 In this Agreement, headings are inserted only for convenience and internal reference only and shall not affect the construction or interpretation of this Agreement.

3. The Project

3.1 The Recipient shall carry out the Project in a manner acceptable to YG and in accordance with the attached Schedules.

3.2 No material changes shall be made to the Project by the Recipient without the prior written approval of YG.

3.3 It is a condition of this Agreement that the Recipient shall ensure that all work carried out for the purposes of the Project complies with all applicable federal, territorial, municipal or First Nations acts, regulations, zoning or bylaws, and that all permits, approvals, and authorizations required to carry out work on the Project have been obtained prior to conducting the work.

3.4 At YG's request, at any time during the term of this Agreement, the Recipient may be required to demonstrate to YG's full satisfaction that all work carried out for the purposes of the Project is being done or has been done as required by clause 3.3.

3.4.1 Refusal or failure by the Recipient to fully satisfy YG that all work carried out for the purposes of the Project is being done or has been done as required by clause 3.3 may, in YG's sole discretion, result in the withholding of some or all of the Funds and/or termination of this Agreement.

4. Term

4.1 The term of this Agreement shall be from April 1, 2017 to March 31, 2018

5. Provision of Financial Assistance

5.1 YG shall provide the Recipient with Funds for the purpose of the Project in an amount not to exceed 50% of the eligible exploration expenses in the Budget to a maximum of 40000

5.1.1 Eligible exploration expenses include but are not limited to:

5.1.1.1 Salaries and wages

5.1.1.2 Equipment and machinery rental

5.1.1.3 Supplies

5.1.1.4 Services

5.1.1.5 Transportation and accommodation costs

which are, in the opinion of YG, reasonable and directly attributable to the Project.

5.2 YG shall pay the Funds to the Recipient in accordance with the Terms of Payment set out in Schedule A.

5.3 The obligation of YG to provide the Funds is subject to the following:

5.3.1 the *Financial Administration Act* (Yukon);

5.3.2 money being appropriated by the Legislature for the purpose of this Agreement;

5.3.3 the Recipient maintaining a separate account solely for the management of the Funds; and

5.3.4 the Recipient abiding by the terms and conditions of this Agreement.

- 5.4 The Recipient may apply for interim Funds upon completion of certain stages of the Project and YG, in its sole discretion, may provide interim Funds to the Recipient.
- 5.5 The Recipient warrants that it has declared all amounts owing to YG and that the Recipient is not in default of any payment schedule in respect of the amounts owing to YG.

6. Financial Accountability

- 6.1 In respect of the Funds, the Recipient shall:
 - 6.1.1 submit expenses only for the purposes of the Project;
 - 6.1.2 in the case of the Final Submission Form for the term of this Agreement, submit it to YG on or before January 31, 2018, such Final Submission Form to be accompanied by, at YG's request, copies of invoices, receipts and vouchers.
- 6.2 YG shall not be obliged to pay any bills or other costs incurred during the term of this Agreement that are submitted after January 31, 2018.
- 6.3 Any Funds provided through this Agreement that were not properly expended for the purposes of the Project shall constitute a debt due to YG and shall, upon request by YG, be repaid immediately by the Recipient to YG. Any interest owing on this debt is calculated from the date the amount became repayable.

7. Project Reporting Requirements

- 7.1 The Recipient shall:
 - 7.1.1 at the start of each phase of actual fieldwork, inform YG of planned timelines by contacting the YMEP geologist at ymep@gov.yk.ca or 456-3828.
 - 7.1.2 maintain, in a manner acceptable to YG, case files and other data that may be required for on-going monitoring, review and evaluation of the Project;
 - 7.1.3 submit, in a form acceptable to YG, a Project Status Report on or before September 30, 2017; and
 - 7.1.4 submit, in a form acceptable to YG, on or before January 31, 2018:
 - 7.1.4.1 A Final Submission Form for the term of this Agreement.
 - 7.1.4.2 One hard copy and one digital version of the Summary or Technical Report of the Project for the term of this Agreement.

- 7.2 Final Submission Forms and Summary or Technical Reports shall conform to the Reporting Requirements set out in Schedule B attached this Agreement.
- 7.3 If approved placer winter work is planned, the Final Submission Report and Summary or Technical Report may be submitted at a later date to be determined by YG.
- 7.4 Unless the Parties agree otherwise in writing, if the Recipient fails to submit the Final Submission Report and Summary or Technical Report by January 31, 2018, the Funds payable under this Agreement may be withheld or, if already paid out, shall constitute a debt due to YG and shall, upon request by YG, be repaid immediately by the Recipient to YG. Any interest owing on this debt is calculated from the date the amount became repayable.
- 7.5 The Recipient acknowledges that YG will release the Technical Report two years after the expiry or termination of this Agreement for Focused Regional, Target Evaluation and Placer modules and 5 years for the Grassroots module.

8. Audit

- 8.1 The Recipient shall:
- 8.1.1 acknowledge that YG or its agents may audit any or all of the Records, including financial records of the Recipient or its agents, whether directly or indirectly related to this Agreement, as is necessary to satisfy YG that the objectives and activities of the Project have been carried out and that the Funds have been spent in accordance with the terms of this Agreement;
 - 8.1.2 keep all Records for 2 years after the expiry or termination of this Agreement, unless otherwise notified in writing by YG that such information and documents are no longer needed;
 - 8.1.3 make such Records available for audit by YG upon reasonable notice, and permit YG to audit and inspect the Records, and to take extracts from and make copies of the Records;
 - 8.1.4 provide reasonable facilities to YG for such audits and inspections, and provide YG with all information necessary to understand the Records;
 - 8.1.5 immediately reimburse YG any overpayments or non-allowed expenses, as determined by the audit; and
 - 8.1.6 maintain any personal records in respect of this Agreement in an appropriate and confidential manner.

9. Access to Staff, Records and Premises

- 9.1 Upon reasonable notice, the Recipient shall provide YG with access to the Recipient's staff, Records and premises for purposes related to monitoring, reviewing or auditing the activities undertaken in relation to this Agreement, and related to the evaluation of the effectiveness or efficiency of the Project.

10. Evaluation

- 10.1 The Recipient shall maintain, in a manner acceptable to YG, case files and other data that may be required for on-going monitoring, review and evaluation of the Project.
- 10.2 The Recipient shall cooperate with YG in the event that YG undertakes, at its own expense, any evaluation studies in respect of this Project, and shall provide copies of existing information, data, and statistics that YG reasonably requires to carry out such evaluation studies.

11. Communication and Public Acknowledgement

- 11.1 Any information released or announced to the public in any form by the Recipient in respect of the Project shall adequately acknowledge the contribution made by YG.
- 11.2 Any information released or announced to the public in any form by YG in respect of the Project shall adequately acknowledge the contribution made by the Recipient.

12. Local Hire

- 12.1 The Recipient shall make best efforts to hire Yukon residents and contract with Yukon businesses in carrying out work for the purposes of the Project.

13. Legal Relationship

- 13.1 Nothing in this Agreement shall create the relationship of principal and agent, employer and employee, partnership or joint venture between the Parties.
- 13.2 The Recipient shall not make any representation that the Recipient is an agent of YG and shall ensure that any officers, employees, contractors, members, agents or successors of the Recipient do not make any representation that could reasonably lead any member of the public to believe that the Recipient, its officers, employees, contractors, members, agents or successors are agents of YG.

14. Liability

- 14.1 The Recipient shall use due care in carrying out the Project and in performing its obligations under this Agreement to ensure that it does not cause any injury (including death) to persons, damage or loss to property or infringement of rights.
- 14.2 YG shall not be liable for any action or inaction of the Recipient or any of the Recipient's officers, employees, contractors, members or agents during the performance of the Project.
- 14.3 YG shall not be liable for any injury to the Recipient, its officers, employees, contractors, members or agents or for any damage to or loss of property of the Recipient, its officers, employees, contractors, members or agents caused by, arising from, or in any way related to the performance of this Agreement.

15. Conflict of Interest

- 15.1 No Member of the Yukon Legislative Assembly shall be admitted to any share or part of this Agreement or to any benefit arising from it, unless such benefits are available to the population at large.
- 15.2 No official or employee of the Government of Yukon shall be admitted to any share or part of this Agreement or to any benefit arising from it without the written consent of the official's or employee's Minister, unless such benefits are available to the population at large.
- 15.3 No current or former public servant or public officer holder to whom the *Conflict of Interest (Members and Ministers) Act*, Part 13 of the *Public Service Act*, the *Cabinet and Caucus Employees Act*, or Policy 3.39 of the Yukon Government General Administration Manual applies, shall derive any direct benefit from this Agreement, including any employment, payment or gifts, unless the provision and receipt of such benefits is in compliance with such legislation and policy.

16. Confidentiality

- 16.1 YG and the Recipient shall both protect any confidential information according to applicable federal, provincial or territorial legislation.
- 16.2 YG and the Recipient shall use all reasonable efforts to protect confidential information from disclosure to third parties. Such efforts shall be in accordance with the *Access to Information and Protection of Privacy Act* (Yukon).
- 16.3 The Recipient shall ensure that all personal information to which the Recipient or its officers, employees, contractors, members, agents or successors become privy, shall be

treated as confidential and shall not be disclosed without the written consent of the individual to whom the information relates.

- 16.4 YG shall ensure that all personal information to which YG, its officers, employees, contractors and agents become privy shall be treated as confidential in accordance with the *Access to Information and Protection of Privacy Act* (Yukon).

17. Indemnification

- 17.1 The Recipient shall save harmless and fully indemnify YG, its officers, employees, contractors and agents from and against all claims, liabilities, and demands arising directly or indirectly from:

17.1.1 any act, omission, or negligence of the Recipient, its officers, employees, contractors, members, agents or successors arising in connection with this Agreement;

17.1.2 any breach of this Agreement by the Recipient, its officers, employees, contractors, members, agents or successors unless such breach is a direct result of a breach by YG of its obligations under this Agreement; and

17.1.3 any injury (including death) to persons, damage or loss to property, infringement of rights, or any claims, demands, or liabilities whatsoever that may arise directly or indirectly out of the performance or non-performance (in whole or in part) of the Recipient's obligations under this Agreement;

- 17.2 The above indemnity shall include all reasonable legal costs.

18. Assignment

- 18.1 This Agreement shall not be assigned, transferred, subcontracted or otherwise delegated by the Recipient without the prior written consent of YG. Any attempt to assign, transfer, subcontract or otherwise delegate any of the rights, duties, or obligations of this Agreement without YG's written consent is void and of no effect.

19. Amendment

- 19.1 Any amendments to this Agreement shall be made in writing and executed by both Parties.

20. Successors

- 20.1 This Agreement is binding upon the Parties and their respective administrators and successors.

21. Severability

- 21.1 If any of the terms or provisions of this Agreement are found invalid or unenforceable in whole or in part, then the remaining terms and provisions shall continue in full force and effect.

22. Breach or Non-fulfillment

- 22.1 The Recipient shall give YG notice of the breach or non-fulfillment of any provision of this Agreement.
- 22.2 The failure of the Recipient to give notice to YG of the breach or non-fulfillment of any provision of this Agreement shall not constitute acceptance by YG of:
- 22.2.1 the breach or non-fulfillment;
- 22.2.2 a further breach or non-fulfillment of the same provision; or
- 22.2.3 the breach or non-fulfillment of any other provision of this Agreement.

23. Termination

- 23.1 Either Party may terminate this Agreement without cause by giving the other Party 30 days written notice of its intention to terminate.
- 23.2 The Recipient shall, within 30 days of giving or receiving notice of intention to terminate, discharge any outstanding obligations under this Agreement.
- 23.3 In addition to any default that would at law entitle YG to terminate the Agreement, any of the following shall also constitute a default by the Recipient:
- 23.3.1 the Recipient fails to perform or comply with any term, condition or obligation under this Agreement;
- 23.3.2 the Recipient, in support of its application for funding, or proposal, or in connection with this Agreement, has made materially false or misleading representations or statements, or provided materially false or misleading information to YG;
- 23.3.3 the Recipient fails to make progress so as to jeopardise the success or outcome of the Project in accordance with this Agreement;
- 23.3.4 in the opinion of YG, there is a detrimental change in the Recipient's ability to carry out its responsibilities under this Agreement;

- 23.3.5 the Recipient is no longer in good standing or ceases to operate;
 - 23.3.6 the Recipient becomes bankrupt or insolvent, goes into receivership or takes the benefit of any statute being in force from time to time relating to bankrupt or insolvency debtors; or
 - 23.3.7 the Recipient is dissolved, or an order is made or resolution passed for the winding up of the Recipient.
- 23.4 If, in the opinion of YG, an event of default occurs, then YG may, with prior notice to the Recipient and without restricting any remedies otherwise available:
- 23.4.1 require that the Recipient takes such reasonable actions as may be necessary to remedy the event of default;
 - 23.4.2 audit or cause to have audited the accounts and Records of the Recipient;
 - 23.4.3 direct the Recipient to repay forthwith to YG all or part of the Funds paid under this Agreement;
 - 23.4.4 withhold all or part of the Funds payable under this Agreement; or
 - 23.4.5 terminate the Agreement and YG's obligation to provide any further Funds to the Recipient.
- 23.5 YG may exercise any one or more of the remedies set out in 24.4.

24. Obligations Surviving Termination

- 24.1 All obligations of the Recipient shall expressly, or by their nature, survive expiry or termination of this Agreement until, and unless, they are fulfilled, or by their nature, expire.

25. Dispute Resolution

- 25.1 In the case of a dispute in respect of this Agreement, the Parties shall make best efforts to resolve the dispute in a timely manner.
- 25.2 If the Parties are unable to resolve a dispute referred to in 26.1, they may each pursue whatever remedies are available to them under this Agreement or at law.

26. Notice

- 26.1 Any written communication, report, or notice required pursuant to this Agreement may be given by personal delivery to the undersigned, or by fax or by prepaid mail to the addresses set out below. A notice shall be considered to be received if delivered personally on the date of delivery; if delivered by fax, two business days after transmission; or if delivered by mail, three business days after mailing.

If to YG:

Derek Torgerson
Yukon Geological Survey
Department of Energy, Mines and Resources
Government of Yukon, K 102
PO Box 2703
Whitehorse, Yukon Y1A 2C6

Fax: (867) 667-3198

If to the Recipient:

Anthill Resources (Yukon) Ltd.
Wanjin Yang
Suite 1105, 750 West Pender St
Vancouver, BC, V6C 1G8

27. Signing of this Agreement

- 27.1 Each Party represents and warrants that it has full power and authority to enter into, perform, and execute this Agreement, and that each person signing this Agreement on behalf of a Party has been properly authorized and empowered to enter into and execute this Agreement.

28. Counterparts

28.1 This Agreement may be executed in counterparts, each of which will be considered an original, and all of which will constitute one and the same document.

IN WITNESS WHEREOF the Parties have executed this Agreement by their duly authorized representatives on the dates noted below.

Schedule A Project Description

Yukon Mineral Exploration Program

Application # **17-056– Anthill Resources (Yukon) Ltd.**

A.1.0 Description of Mineral Property

A.1.1 The mineral property to which the contribution is applicable is the **HESS** project located on map sheet(s) NTS **105N/07** as is described in the program proposal.

A.2.0 Eligible Exploration Expenditures and Workplan

A.2.1 For the following work, the amount of the contribution will be (50% of eligible expenditures) for a total of up to \$40000

A.2.2 All exploration activities as described in the program proposal.

A.2.3 Reimbursement will be made only on the basis of receipts showing the actual cost of the materials and/or work done and paid for by the Applicant. The expenditures to be reimbursed must be an element of the approved work plan.

A.2.4 The Recipient shall carry out the Project in accordance with the work plan as initially approved in writing by YG

A.2.5 The Recipient may, with the prior written approval of YG, revise the work plan from time to time to meet the Project deliverables set out in A1.0. For greater certainty, such revision does not constitute an amendment for the purposes of this Agreement.

A.2.6 The Recipient shall carry out the Project in accordance with the Budget as approved in writing by YG

A.2.7 Eligible expenses for the purposes of this Agreement shall be those expenses directly related to the Project and set out in the attached Budget.

A.2.8 The Recipient may, on prior written approval from YG, reallocate dollar amounts between eligible expenses within the approved Budget. For greater certainty, such reallocation does not constitute an amendment for the purposes of this Agreement.

A.3.0 Environmental and Legal Requirements

- A.3.1 This Agreement is conditional upon all legal permits and other requirements having been secured by the Applicant.
- A.3.2 The Applicant shall not conduct an exploration program on lands withdrawn from mineral staking such as Class A Lands as identified in the Umbrella Final Agreement or within lands identified as Study Areas for Special Management Areas or future Territorial and National Parks.
- A.3.3 The applicant shall not unnecessarily damage wildlife habitat in conducting this land use activity. Methods of reducing impact include: (1) reducing the size and number of clearings where possible, (2) reducing access development, and (3) minimizing impacts to drainages by reducing the number of crossings, crossing in appropriate locations and incorporating a buffer between the work area and the drainage.

Schedule B

Reporting Requirements

B.1.0 Summary or Technical Reports to be submitted With Final Submission Forms

B.1.1 Final Submission Forms along with one hardcopy and one digital version in Portable Document Format (.pdf) version 5 or higher of the Summary or Technical Report shall be submitted to the YMEP geologist in order to receive approval for the final payment of the Funds (see Section B.4 for formats of documents).

B.2.0 Final Submission Form

B.2.1 The Final Submission Forms shall briefly summarize the work performed and the results obtained by the Recipient while carrying out the Project.

B.2.1.1 The Final Submission Form shall include:

B.2.1.1.1 claims staked during/after prospecting activity;

B.2.1.1.2 option agreements resulting from the YMEP;

B.2.1.1.3 the value of goods and services purchased;

B.2.1.1.4 the results of mineral exploration program;

B.2.1.1.5 a summary of expenditures for the program; and

B.2.2 The information in B.2.1.1 must be complete when submitted in order to be eligible for the final payment of Funds.

B.3.0 Summary or Technical Report

B.3.1 The Summary or Technical Report shall document work performed, complete with supporting data.

B.3.2 A separate Summary or Technical report with the corresponding maps must be completed for each project.

B.3.2.1 All hardcopies of reports submitted must be bound separately.

B.3.2.2 All digital versions of reports must be submitted as separate PDF files.

B.3.3 If work was performed on claims, a copy of the applicable assessment report (provided it describes all the work funded by YMEP) may be submitted in lieu of a Summary or Technical Report.

B.3.4 The Summary or Technical Report shall include the following information where applicable:

B.3.4.1 For evaluation and prospecting surveys, the following information shall be submitted:

- B.3.4.1.1 a summary of all previous relevant investigation;
- B.3.4.1.2 details of surface evaluation;
- B.3.4.1.3 details of evaluation based on underground work;
- B.3.4.1.4 a description of the methods of sampling employed;
- B.3.4.1.5 the methods of analyzing and assaying;
- B.3.4.1.6 tabulated results of all analyses and assays; and
- B.3.4.1.7 conclusions and recommendations.

B.3.4.2 For geological surveys, the following information shall be submitted:

- B.3.4.2.1 a table of geological formations;
- B.3.4.2.2 detailed geological information concerning rock types, structures, veins or mineralized zones or coal seams occurring on the claims or leases;
- B.3.4.2.3 an interpretation of the geological observations made; and
- B.3.4.2.4 conclusions and recommendations.

B.3.4.3 For geophysical surveys, the following information shall be submitted:

- B.3.4.3.1 description of the methods and equipment used;
- B.3.4.3.2 method of survey;

- B.3.4.3.3 dates of survey;
 - B.3.4.3.4 number of stations established;
 - B.3.4.3.5 kilometres of line surveyed;
 - B.3.4.3.6 copies of geophysical readings or profiles, including pertinent calculations, an interpretation of the data collected, including references to the available geology and a brief description of the topography; and
 - B.3.4.3.7 conclusions and recommendations.
- B.3.4.4. For geochemical surveys, the following information shall be submitted:
- B.3.4.4.1 type and amounts of samples collected including the particular soil horizon sampled;
 - B.3.4.4.2 method of sample collection including the tools used;
 - B.3.4.4.3 survey dates;
 - B.3.4.4.4 a description of the methods and equipment used in analyzing the samples;
 - B.3.4.4.5 copies of all analyses (except where adequate contoured maps are provided showing the data in graphic form);
 - B.3.4.4.6 reference to the sample location including a brief description of topography;
 - B.3.4.4.7 an interpretation of the data collected, including references to the available geology; and
 - B.3.4.4.8 conclusions and recommendations.
- B.3.4.5 For analytical results, the following information shall be submitted:
- B.3.4.5.1 the total number of samples collected;
 - B.3.4.5.2 sample location and description;
 - B.3.4.5.3 metals determined and concentration units;

- B.3.4.5.4 analytical methods used and the name of the commercial lab; and
- B.3.4.5.5 if a field analytical method is used for determined the metal content, a description of the method.
- B.3.4.6 Assay results shall be accompanied by the following information:
 - B.3.4.6.1 assay or analytical certificates; and
 - B.3.4.6.2 plans or sections or both showing the assay results and the sample dimensions and indicating the type or grab, chip, panel, channel, drill core or other type of sample taken.
- B.3.4.7 For trenching, the following information shall be submitted:
 - B.3.4.7.1 dates the work was carried out;
 - B.3.4.7.2 names of all persons who performed the work;
 - B.3.4.7.3 an accurate plan showing the locations of trenches or other surface workings relative to the local topography and claim or lease boundaries, including the distance and direction from a legal claim post;
 - B.3.4.7.4. the dimensions of the workings and the volume of material extracted;
 - B.3.4.7.5 descriptions of the materials excavated; and
 - B.3.4.7.6 assays or other analytical results obtained from samples or specimens taken from the workings.
- B.3.4.8 For diamond drilling, the following information shall be submitted:
 - B.3.4.8.1 a report, either separately or combined with other reports, which outlines the objectives, results and recommendations of the drilling program and including the following information:
 - B.3.4.8.1.1 the name and address of the drilling contractor;

- B.3.4.8.1.2 starting and finishing dates, bearing and initial dip, size of core for each hole and results of dip tests, if taken;
 - B.3.4.8.2.3 depth of overburden and total depth of each hole; and
 - B.3.4.8.2.4 description of the locations of core storage;
 - B.3.4.8.2 an accurate map showing the location of drill holes relative to the local topography and claim boundaries, including the distance and direction from a legal post, and their bearing and dip;
 - B.3.4.8.3 complete drill logs, including rock types, mineralization, assays or analysis and the results of physical or chemical tests performed, and assays of core or sections of core, and if no assays are provided, the reason for their absence;
- B.3.4.9 For rotary (percussion) drilling the following information shall be submitted:
- B.3.4.9.1 a report, either separately or combined with other reports, which outlines the objectives, results and recommendations of the drilling program and including the following information:
 - B.3.4.9.1.1 the name and address of the drilling contractor;
 - B.3.4.9.1.2 starting and finishing dates, bearing and initial dip, size of core for each hole and results of dip tests, if taken;
 - B.3.4.9.1.3 depth of overburden and total depth of each hole; and
 - B.3.4.9.1.4 description of the locations of core storage;
 - B.3.4.9.2 an accurate map showing the location of drill holes relative to the local topography and claim boundaries, including the distance and direction of a legal post, and their bearing and dip;

- B.3.4.9.3 complete drill logs, including rock types, mineralization, assays or analysis and the result of physical or chemical tests performed, and assays of core or sections of core, and if no assays are provided, the reason for their absence; and
- B.3.4.10 For shafts, adits and any other underground work not less than three metres below surface, the following information shall be submitted:
 - B.3.4.10.1 an accurate map showing the locations of all shafts, adits or other work relative to the local topography and claim boundaries, including the distance and direction from a legal claim post;
 - B.3.4.10.2 the dimensions of the workings and the volume of material excavated;
 - B.3.4.10.3 descriptions of the materials excavated; and
 - B.3.4.10.4 assays or other analytical results obtained from samples or specimens taken from the workings.

B.4.0 Formats for Documents

- B.4.1 The hardcopy of the Summary or Technical Report shall have the following format:
 - B.4.1.1 the text of the hardcopy shall be word processed and printed on good quality paper of either 8 1/2" x 11" or 8 1/2" x 14" size;
 - B.4.1.2 reports shall be bound in suitable folders in such a manner that all the text on every page and every map, sketch or diagram when unfolded may be readily seen; and
 - B.4.1.3 any maps or plans not fastened securely into the binder shall be inserted into an envelope or pocket which is fastened securely into the binder.
- B.4.2 The digital version of the Summary or Technical Report should have the following format:
 - B.4.2.1 the text of the electronic version shall be converted or scanned to Portable Document Format (.pdf) version 5 or higher from the word processed version;
 - B.4.2.2 plans or maps in the electronic version must be printable at full scale.

B.4.3 The following data shall appear on the front cover of the report binder:

- B.4.3.1 the designation number of the program;
- B.4.3.2 the nature of the report (i.e. prospecting, geological, geophysical etc.);
- B.4.3.3 the names and or numbers of the claims or leases or groups of claims or leases to which the report refers;
- B.5.3.4 the claim sheet NTS number(s) and the location of the property described either by precise latitude and longitude or by precise universal transverse mercator (UTM) grid coordinates;
- B.4.3.5 the name(s) of the author(s) and, if not the same, the name of the person under whose supervision the work was done;
- B.4.3.6 the name(s) of the person(s), partnership(s) or corporations for whom the report was prepared; and

B.4.4 Each report shall contain the following information:

- B.4.4.1 a table of contents;
- B.4.4.2 a list of the claims or leases by name and/or number and tag number and the names of the holders of the claims or leases;
- B.4.4.3 a description of the work done and the data collected during the survey, including the manner in which it was collected and an interpretation of such data;
- B.4.4.4 where applicable, a description of the method of control survey and the amount of line cutting, and all cut and/or surveyed lines and tie-ins shall be shown on an accurate map or plan; and
- B.4.4.5 where applicable, a list of the names and addresses of all persons and contractors employed in performing the work and preparing the report and the time employed in preparing the report.

B.4.5 For maps and plans submitted, the following formats shall apply:

- B.4.5.1 all plans and maps shall have an astronomic or magnetic north arrow and a scale and shall show claim lines, claim numbers, existing survey or grid lines, roads, streams and other prominent topographic features;

- B.4.5.2 prospecting maps should have numbered discoveries keyed to accurate location map(s). Maps must show location of work areas and traverses listed in daily reports. Government NTS 1:50,000 scale topographic maps or claim location maps are recommended;
 - B.4.5.3 geological maps shall have a legend with rock types coded with alphanumeric symbols and shall show outcrops, characteristics and structural symbols.
- B.4.6 For GPS location, analytical and survey data generated during the course of the work outlined in the Project Proposal, the following formats are requested:
- B.4.6.1 all GPS location, analytical and survey data should be in spreadsheets;
 - B.4.6.2 acceptable file formats shall include Excel File Format (.xls), Comma Separated Value File Format (.csv) or Dbase File Format (.dbf);
 - B.4.6.3 this data should be included with the electronic version of the Summary or Technical Report as a separate file or preferably as a file that combines GPS location data and the analytical or survey data into a single file in one of the formats listed in B.4.6.2.
