YMEP Final Submission Form

Your feedback on any aspect of the program:

The incentive was very welcome once again this year, especially as it offset the cost of heli access for this program. The neighbouring claim block has been optioned and added on to this project and drill targets have been identified for follow-up hopefully in 2019.

The Department of Energy, Mines and Resources may verify all statements related to, and made on this form, in any previously submitted reports, interim claims and in the Summary or Technical Report which accompanies it.

I certify that;

1. I am the person, or the representative of the company or partnership, named in the Application for Funding and in the Contribution Agreement under the Yukon Mineral Exploration Program.
2. I am a person who is nineteen years of age or older, and I have complied with all the requirements of the said program.
3. I hereby apply for the final payment of a contribution under the Yukon Mineral Exploration Program (YMEP) and declare the information contained within the Summary or Technical Report and this form to be true and accurate.
