Surgenia (Scott Sheldon)	Project management		\$18,900.00	August-October		Monthly fee
Total			\$114,096.89			

Statement of work.

Work program on site was undertaken from September 20th until October 13th. Trenching occurred Sep 20 to Oct 1 (reclamation in October not claimed). Historic core relogging and sampling occurred from Sep 20 until Oct 13. K1 Mining camp on Glacier Creek was rented from Mike McDougall. Drilling started Sep 29th and finished Oct 13 (Note only Sep 29 & Sep 30th claimed).

Items within class 1 notification included, drilling from October 1 - October 13th and associated costs are excluded from the filing.
