

Data sources:

Base data: Transportation, watercourses and toponomy, shaded relief (Yukon Government); parks/protected areas (Yukon Government, YLUPC, US National Parks Service); provincial boundaries (Department of Natural Resources Canada), toponymy (recompiled by YLUPC from Tr'ondëk Hwëch'in and Yukon Government)

Thematic data: Tintina Trench (from Yukon Government's Physiographic Regions, 2018); Bird habitat model based on YLUPC's interpretation of a 2018 letter from CWS to the DRPC using available land classification (Ecological Land Classification: Grods, J., S.R. Francis, J.C. Meikle and S. Lapointe. 2012. West-central broad ecosystems (Version 1.1). Spatial data created for Environment, Government of Yukon by Makonis Consulting Ltd. and Associates, West Kelowna, BC.)

Data disclaimer:

This map is a graphical representation, which depicts the approximate size, configuration and spatial relationship of known geographic features. While great care has been taken to ensure the best possible quality, this document is not intended for legal descriptions and/or to calculate precise areas, dimensions or distances. We do not accept any responsibility for errors, omissions or inaccuracies in this data.
